Between Theater And Anthropology:

Between Theater and Anthropology Richard Schechner, 2010-08-03 In performances by Euro Americans Afro Americans Native Americans and Asians Richard Schechner has examined carefully the details of performative behavior and has developed models of the performance process useful not only to persons in the arts but to anthropologists play theorists and others fascinated but perhaps terrified by the multichannel realities of the postmodern world Schechner argues that in failing to see the structure of the whole theatrical process anthropologists in particular have neglected close analogies between performance behavior and ritual The way performances are created in training workshops and rehearsals is the key paradigm for social process

Between Theater & Anthropology Richard Schechner, 1985 In performances by Euro Americans Afro Americans Native Americans and Asians Richard Schechner has examined carefully the details of performative behavior and has developed models of the performance process useful not only to persons in the arts but to anthropologists play theorists and others fascinated but perhaps terrified by the multichannel realities of the postmodern world Schechner argues that in failing to see the structure of the whole theatrical process anthropologists in particular have neglected close analogies between performance behavior and ritual The way performances are created in training workshops and rehearsals is the key paradigm for social process

New Approaches to Theatre Studies and Performance Analysis Günter Berghaus, 2011-05-02 This volume gathers 16 papers originally written for the occasion of the 49th Colston Symposium held in Bristol in 1997 and substantially revised for this publication They reflect on some of the key developments in the discipline of Theatre Studies over the past fifty years and combine this with a discussion of new trends and approaches especially in the fields of Performance Studies reception analysis interculturalism sociocultural analysis theatre anthropology dance and movement analysis computer assisted reconstruction of performance venues street theatre guerilla theatre ritual theatre etc

From Ritual to Theatre Victor Witter Turner, 1982 How is social action related to aesthetics and anthropology to theatre What is the meaning of such concepts as work play liminal and flow In this highly influential book Turner elaborates on ritual and theatre persona and individual role playing and performing taking examples from American European and African societies for a greater understanding of culture and its symbols

Performance and Ethnography Peter Harrop, Dunja Njaradi, 2013-07-16 Performance and Ethnography Dance Drama Music revisits the territory of the performance orientation touching on anthropology dance folklore music and theatre to look for present trends in both the ethnography of performance and performance ethnography One of the main concerns of this volume is with an embodied affective and sensory ethnography that privileges encounters between ethnographer participants and practices as key to understanding and knowledge Another is the extent to which individuals are shaped by their engagement with ethnographic practice in the midst of migration diffusion revival appropriation and commodification of performance A third is the interface of academic disciplines with the idea of performance and the way in which academics and practitioners are drawn to

ethnography to better understand negotiate perform and profess their diverse fields Individual chapters include a refreshed interface for performance studies and anthropology through new approaches to ritual a consideration of performance studies through an ethnography of PSi the emplaced body as a tool for ethnographic research somatic practice in dance as a mode of ethnography artisanal musical instrument making as performance the commodification of traditional performance and an introductory overview that reflects shifting ethnographic perspectives on traditional performances

The Potential for Anthropology and Urban Community Engagement Jill Florence Lackey, Rick Petrie, 2024-07-01 The relationship between anthropology departments and their surrounding urban communities has been traditional limited by a number of factors The Potential for Anthropology and Urban Community Engagement pushes past these limitations developing a firm foundation from which applied anthropology can support grassroots research and lasting community programs Using two partnering Milwaukee organizations as examples this volume explores the need in urban neighborhoods for practicing anthropologists how a high volume of asset building programs can be developed by practicing anthropologists and the potential efficacy of anthropology departments in partnering with urban neighborhoods

Theatres of Independence Aparna Bhargava Dharwadker, 2009-11 Theatres of Independence is the first comprehensive study of drama theatre and urban performance in post independence India Combining theatre history with theoretical analysis and literary interpretation Aparna Dharwadker examines the unprecedented conditions for writing and performance that the experience of new nationhood created in a dozen major Indian languages and offers detailed discussions of the major plays playwrights directors dramatic genres and theories of drama that have made the contemporary Indian stage a vital part of postcolonial and world theatre The first part of Dharwadker s study deals with the new dramatic canon that emerged after 1950 and the variety of ways in which plays are written produced translated circulated and received in a multi lingual national culture The second part traces the formation of significant postcolonial dramatic genres from their origins in myth history folk narrative sociopolitical experience and the intertextual connections between Indian European British and American drama The book s ten appendixes collect extensive documentation of the work of leading playwrights and directors as well as a record of the contemporary multilingual performance histories of major Indian Western and non Western plays from all periods and genres Treating drama and theatre as strategically interrelated activities the study makes post independence Indian theatre visible as a multifaceted critical subject to scholars of modern drama comparative theatre theatre history and the new national and postcolonial literatures

The Economics of the British Stage 1800-1914 Tracy C. Davis, 2007-06-21 During the nineteenth century British theatre developed into an industry with considerable importance in the economy diversified by whole new forms of entertainment first music hall then cinema evolving alongside the dramatic stage This comprehensive study examines the theatre s growth from an economic perspective Tracy Davis reflects the debates of economic theorists from Adam Smith to Alfred Marshall to investigate three key areas the state s role in protecting theatre the factors affecting the success or failure

of theatre companies and how theatre came to be regarded as one of the service industries By grounding debates about subsidization and the economic viability of the live arts in an era predating government funding Davis sheds light on the history of cultural policy for the arts in Britain Her book will interest scholars across a range of disciplines theatre social history economics gender studies and the sociology of culture

Performing the Pilgrims Stephen Eddy Snow, 1993 A scholarly inquiry into how portrayals of the Pilgrims evolved from glorification to more accurate reconstruction of history through performance The various ways in which the Pilgrims have been represented over the past three hundred years reflect important changes in American culture This study of a phenomenon at Plimoth Plantation reveals a pattern created by progressive cultural forces in the United States to establish historical accuracy It traces the transformation in the styles of portraying the cultural history of one of America's earliest immigrant groups the Pilgrims of Plymouth Massachusetts In the nineteenth century the Pilgrim story was romanticized in poetry and paintings The purpose of such portrayals was glorification not historical accuracy After the fourth Thursday of every November was designated by President Lincoln as Thanksgiving Day the Pilgrim image became ubiquitous in American popular culture Those simple hardworking settlers of one of America's first towns began to assume mythic proportions This study of how the Pilgrims have been represented in American cultural life mainly focuses on the development of the performances in the Living Museum of Seventeenth Century Plymouth at Plimoth Plantation After World War II a plan was devised to replicate the First Street of Plymouth By the late 1950s Pilgrim houses were reconstructed and mannequins depicted scenes of Pilgrim life Docents dressed in somewhat inauthentic period garb described the historical significance of the tableaux The cultural revolution of the 1960s brought also a revolution in the style of representing the Pilgrims In an attempt to define the real Pilgrims the idea of sainted ancestors was eradicated James Deetz an anthropologist from Harvard established a new approach to ethnohistorical research In portraying the Pilgrims in this era reenactors made no attempt to glorify but instead to give earnest assessment of all ethnographic data available and to re create an authentic Pilgrim Deetz and his colleagues established a living museum in which history was no longer described and discussed but rather reenacted This book documents and analyzes the momentous shift in the style of representing the history at Plimoth Plantation It closely examines the emergence of the first person role playing re creation that is based upon performing ethnography An important work in the field of performance studies it explores postmodern cultural forces at work in the late twentieth century Stephen Snow Ph D RDT BCT is Associate Professor and Chair of the Department of Creative Arts Therapies at Concordia University in Montreal Most recently he completed a three year project 2005-2008 in Performance Ethnography with adults with developmental disabilities at Concordia's Centre for the Arts in Human Development of which he is a Co Founder

The Intercultural Performance

Reader Patrice Pavis, 1996 Views on intercultural exchanges within theatre practice from contributors including Peter Brook Clive Barker Jacques Lecoq and Rustom Bharucha **Ritual, Performance, Media** Felicia Hughes-Freeland, 2003-12-16 Ritual Performance and Media are significant areas of study which are essential to anthropology and are often surprisingly overlooked This book brings a more anthropological perspective to debates about media consumption performativity and the characteristics of spectacle which have transformed cultural studies over the past decade *Picturing Culture* Jay Ruby, 2000-08-15 Here Jay Ruby a founder of visual anthropology distills his thirty year exploration of the relationship of film and anthropology Spurred by a conviction that the ideal of an anthropological cinema has not even remotely begun to be realized Ruby argues that ethnographic filmmakers should generate a set of critical standards analogous to those for written ethnographies Cinematic artistry and the desire to entertain he argues can eclipse the original intention which is to provide an anthropological representation of the subjects The book begins with analyses of key filmmakers Robert Flaherty Robert Garner and Tim Asch who have striven to generate profound statements about human behavior on film Ruby then discusses the idea of research film Eric Michaels and indigenous media the ethics of representation the nature of ethnography anthropological knowledge and film and lays the groundwork for a critical approach to the field that borrows selectively from film communication media and cultural studies Witty and original yet intensely theoretical this collection is a major contribution to the field of visual anthropology Brazilian Theater, 1970-2010 Eva Paulino Bueno, Robson Corrêa de Camargo, 2015-03-06 How did Brazilian theater survive under the military dictatorship of 1964 1985 How did it change once the regime was over This collection of new essays is the first to cover Brazilian theater during this period Brazilian scholars and artists discuss the history of a theater community that not only resisted the regime but reinvented itself and continued to develop more sophisticated forms of expression even in the face of competition from television and other media The contributors recount the struggle to stage meaningful plays at a time when some artists and intellectuals were exiled others imprisoned tortured or killed With the return of democracy other important issues arose how to ensure space for different practices and for regional theater and how to continue producing international plays that could be meaningful for a Brazilian audience
