POSSESSED Cordelia Lee,2018-05-08 Cordelia Lee has experienced something few in the Western world have even witnessed exorcism Demonic possession brought her to a Taoist shaman who could drive out her tormentors but only temporarily Cordelia s problems were multifaceted a troubled childhood molests rape attempt black magic anorexia unfulfilled maternal instinct failing marriage and depression Given the severity of her experiences and the return of the evil spirits Cordelia had to dedicate her life to healing if she was ever to recover She had earlier experienced an unexpected kundalini awakening it awakened her to the spiritual realm and the unseen energies that fill the universe Things she used to think were illogical and nonexistent But the spiritual realm that promised answers also held the ghosts that flooded her and a much more human danger Not everyone had the kindness of the shaman who exorcised Cordelia She met other teachers on her journey and some of these gurus wanted to manipulate her with black magic Discerning between helpful guides and wolves in sheep s clothing proved challenging Yet the promise of healing through earthly and spiritual means urged her forward With the support of trustworthy friends Cordelia would become a healer in her own right **Children's Book**
