Curse? There Ain't No Stinking Chicago Cub Curse James Wolfe, Mary Ann Presman, 2009-12-23 This collection of eleven entertaining thought provoking stories about sports and the games people play offers both a male and female perspective on just what's so funny about the ways we compete *The Billy Goat Curse* Gil Bogen, 2008-12-31 In 1945 the most famous curse in sports was placed on the Chicago Cubs when Bill Sianis and his goat were ejected from Wrigley Field Though Sianis purchased two tickets for the fourth game of the World Series against Detroit the goat's stench led to the pair's ouster The indignant Sianis allegedly cursed the Cubs promising that they'd never again play in the World Series at Wrigley Field More than six decades later the team has yet to win a pennant There were years when fortune seemed to pluck defeat from the wings of sure victory The book focuses on the attitudes of players and fans as well as attempts to exorcise the curse It features photographs and interviews of former Cub players as well as a foreword by Hall of Fame shortstop Ernie Banks

Rounding the Bases Joseph L. Price, 2006 After identifying early conflicts between churches and baseball in the late nineteenth century Price examines the appropriation of baseball by the House of David an early twentieth century millennial Protestant community in southern Michigan Turning then from historic intersections between baseball and religion two chapters focus on the ways that baseball reflects religious myths First the omphalos myth about the origin and ordering of the world is reflected in the rituals and rules of the game Then the myth of curses is explored in the culture of superstition that underlies the game At the heart of the book is a sustained argument about how baseball functions as an American civil religion affirming and sanctifying American identity especially during periods of national crises such as wars and terrorist attacks Building on this analysis of baseball as an American civil religion two chapters draw upon novels by W P Kinsella and David James Duncan to explore the sacramental potential of baseball and to align baseball with apocalyptic possibilities The final chapter serves as a full confession interpreting baseball affiliation stories as conversion narratives In various ways

Sabermetrics the search for objective knowledge about baseball through statistical analysis has taken over the national

pastime The authors argue that this approach began as a useful corrective but has come to harm baseball The book demonstrates that the so called moneyball approach based on sabermetrics offers only limited guidance for assembling a team managing games and evaluating player performance Equally important the obsession with statistics and vision of the game as wholly predictable obscure baseball s spectacular improvisational quality It is the game s unquantifiable and relentless capacity to surprise the source of wonder so central to its greatest stories and personalities that informs any real appreciation of baseball

Wrigley Blues Will Wagner,2004-11-29 There is a theory that if the Cubs ever win the World Series it would upset the delicate balance of the cosmos and bring the apocalypse Following a fiery explosion the thinking went the world would be cast into everlasting darkness Dogs would sleep with cats Cubs fans would get along with White Sox fans stuff like that Evidently the Chicago Cubs are determined to prevent such a calamity Notwithstanding such off season acquisitions as Derrek Lee Todd Walker Todd Hollandsworth and Greg Maddux clearly designed to position the 2004 Cubs for their first World Series appearance in nearly 60 years the Cubs collapsed in not only predictable but almost poetic fashion In late September the Cubs were poised to snatch a wild card spot in the playoffs only to be suddenly reminded of who they were When famed sportscaster Steve Stone s constructive criticism of the club drew more attention than the team s play on the field the team s fate was sealed All it took was a loss to Atlanta on October 1 to take them officially out of the running With great wit and insight veteran sports writer and Chicago native
