## **Beyond Opinion Living The Faith We Defend:**

*Beyond Opinion* Ravi Zacharias, 2010-01-10 A definitive master work from the world's leading Christian apologist. Respected apologist Ravi Zacharias was once sharing his faith with a Hindu when the man asked, "If the Christian faith is truly supernatural, why is it not more evident in the lives of so many Christians I know?" The question hit hard, and this book is an answer. Its purpose is to equip Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion. In addition to writing several chapters himself, Ravi Zacharias brings together many of today's leading apologists and Christian teachers, including Alister McGrath and John Lennox, to address topics present in the very future of worldwide Christianity, from the process of spiritual transformation to the challenges posed by militant atheism and a resurgent Islam. Destined to become a classic, *Beyond Opinion* is a touchstone that will affect Christians around the world.

**Beyond Opinion: Living the Faith We Defend** Ravi Zacharias, 2010. Addresses issues such as the validity of the Bible, the hypocrisy of its followers, and the need to make a new statement on faith, allowing Christians everywhere to simultaneously defend the faith and be transformed by it into people of compassion.

**Hope's Reason: a Journal of Apologetics Vol. 2 No. 1** Stephen Bedard, 2011-09-28. In an increasingly skeptical world, there is now more of a need than ever for quality apologetic resources defending the Christian faith. The purpose of this journal is to bridge the gap between the academy and the church, equipping pastors and interested laypeople to present the Christian faith to an unbelieving world.

**Apologetics for the Twenty-first Century** Louis Markos, 2010. Using the work of C. S. Lewis as a starting point, Markos examines the key popular apologists and arguments that shape the intellectual defense of the Christian faith today.

**Jesus on Trial** David Limbaugh, 2014-09-08. In *Jesus on Trial*, David Limbaugh applies his lifetime of legal experience to a unique new undertaking: making a case for the gospels as hard evidence of the life and work of Jesus Christ. Limbaugh, a practicing attorney and former professor of law, approaches the canonical gospels with the same level of scrutiny he would apply to any legal document and asks all the necessary questions about the story of Jesus told through Matthew, Mark, Luke, and John. His analysis of the texts becomes profoundly personal as he reflects on his own spiritual and intellectual odyssey from determined skeptic to devout Christian. Ultimately, Limbaugh concludes that the words Christians have treasured for centuries stand up to his exhaustive inquiry, including his examination of historical and religious evidence beyond the gospels, and thereby affirms Christian faith, spirituality, and tradition.

*A Definition and Critique of Postmodernism* Bruce Proctor, 2012. Bruce A. Proctor is a native of Dallas, Texas, but spent most of his youth growing up in Los Angeles, California. Bruce has held various ministerial positions, including pastor, youth counselor, and pastor-prison ministry leader, and college professor. Edwin Johnson Bible Institute, both in Dallas, TX; True

Vine Baptist Bible Institute in Spencer OK and at the Ministry Training Institute an extension of Oklahoma Baptist University in Shawnee OK Bruce and his wife Patricia reside in San Antonio Texas They have eight adult children Postmodernism is difficult to define because it rejects absolute meaning However I found it worth trying to define it by looking at other authors attempts to define it It was easier for me to describe than define it Much discussion is also given to the definition of the emergent church movement including its fundamental tenets and marks along with signs of drifting toward it Next the idea of postmodernism is weaved into the description of condemned mankind according to Romans 1 18 32 The description given is clearly relevant to the postmodern mindset as men who suppress the truth in unrighteousness verse 18 In my conclusion I discuss the power of truth and the loss of truth due primarily to a loss of focus However in the Person of Jesus Christ Truth arose from the dead and marches on victoriously despite the postmodern spirits of delusions

*A Philosophy of Muddy Boots Leadership* Alan Preizer, 2022-04-14 A Philosophy of Muddy Boots Leadership presents a Bible based leadership philosophy These thoughts some original most not are not rocket science They are basic common sense and as applicable to everyday life as they are to the battlefield classroom or boardroom Most are drawn from those who have influenced the author the most pastors military leaders and football coaches In this uncertain and dynamic environment there are a few constants In this book you will find a clear and concise set of principles and fundamentals that will assist leaders in maintaining mission focus and focusing on the team Why will it help Today there is no shortage of leadership books consultants and experts We hear terms like servant authentic transformational adaptive etc These concepts are valid and important but they are focused on the conceptual not on the actionable A Philosophy of Muddy Boots Leadership provides a set of biblically based actionable principles for leaders The goal of the book is to provide overwhelmed understaffed leaders or mid level managers a set of techniques and processes that in times of stress and uncertainty will act as a blueprint for success This is not a checklist but a thought provoking set of guiding biblical principles that can be used every day

**Christianity and Rabbinic Judaism** Jonas E. Alexis, 2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic

teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis *How Science Has Discovered God: Physics, Metaphysics and Beyond* Darrell Hall, 2024-04-16 If you are searching for practical strategies and arguments to defend your Christian faith *How Science Has Discovered God Physics Metaphysics and Beyond* is a must read Through meticulous research and analysis Darrell Hall skillfully conveys scientific concepts and theories from the origins of the universe to the origins of life all the while displaying the fingerprints of an intelligent Creator Hall bridges the perceived gap between reason and belief offering compelling scientific philosophical historical and theological arguments for the existence of God *How Science Has Discovered God* is not just another book on the relationship between science and religion It is a quest for the truth about reality and the meaning and purpose of life It engages the reader in a thought provoking exploration of Christian Apologetics revealing the existence of a loving and purposeful Creator Explore with the author why God is the best explanation for the big bang the fine tuning of the universe the mathematical intelligibility of the universe the existence of mind consciousness and free will and much more Unearth the evidence for the claims of Jesus and his resurrection and see how suffering and evil are best explained through a loving God This authoritative and comprehensive study is sure to provide material for thought and inspiration Over two thousand years ago Jesus assured us that God is real that God does care and that everything we do does matter With a willingness to follow where the evidence leads join Darrell Hall in a search for truth Open your mind and heart and listen to the voice of God as He speaks through His Creation and His Son Jesus Christ *A Letter from Christ* Kerry D. McRoberts, 2012-02-15 Our nation is politically ideologically and socially polarized to the point of breaking confusion dominates every layer of our culture The church in America is a letter from Christ 2 Cor 3:3 written to our politically cynical socially insecure and spiritually skeptical culture Before the Gospel may become clear in our post everything culture we must make truth real in our hearts The purpose of this book is to 1 redefine dualistic frames in the minds of contemporary Christians that separate the saved from the advent of God's healing reign on Earth 2 relate Christian compassion to a post secular America and 3 propose a redefinition of the Christian controlling narrative Such a revised narrative will light the way for our restless hearts so that we as a nation may return from exile to restoration and rejoice in the sovereign reign of God in Christ **Christianity's Dangerous Idea** Jonas E. Alexis, 2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all costs In Christianity's Dangerous Idea Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history science experience common sense and final destiny More importantly

Alexis subjects the rivals of Christianity to the same rigorous testing Christianity's Dangerous Idea clearly demonstrates the destructive nature of popular atheistic and anti Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman Richard Dawkins and many more In a scholarly yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age

*Biblical Apologetics* Clifford B. **Connecting Christ** Paul Louis Metzger, 2012-05-07 We live in a multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life's most important conversations Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today's negative connotations and ineffective approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality Connecting Christ reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know *The Race Before Us* Bruce H. Matson, 2013-09-03 Turning 50 years old and facing some of life's biggest questions are daunting challenges A crisis of faith and crisis of health lead towards significant changes in one's life For Bruce
