Coronavirus Disease 2019 COVID 19 which is also known as SARS CoV 2 has had a great impact in early childhood education programs. Since the effect of this epidemic was new and little research had been conducted this volume is devoted to understanding mutual and contemporary themes in the impact of Coronavirus Disease 2019 COVID 19 in early childhood education. Early childhood education ECE centers encountered unprecedented challenges due to the COVID 19 crisis. Comprehensive reviews of the literature descriptions of programs or situations and research studies provided accounts of current situations in early childhood education including programs and individuals who were working with young children whose ages ranged from birth to eight years of age. The chapters in this special volume discuss how early childhood education faced unprecedented challenges due to the COVID 19 crisis and demonstrate the breadth and theoretical effectiveness of this domain. This volume provides a brief introduction that acknowledges the valuable contributions of these chapters to the impact of this pandemic in early childhood education and offers a valuable tool to practitioners and researchers who are conducting studies on the impact of COVID 19. At the beginning of the year 2020 after a December 2019 outbreak in China the World Health Organization acknowledged SARS CoV 2 as a different kind of coronavirus. It immediately multiplied around the world mostly through person to person contact. Infections ranged from mild to deadly. COVID 19 can cause a respiratory tract infection such as ones sinuses nose and throat or lower respiratory tract such as ones windpipe and lungs. World Health Organization 2020a. On January 30 2020 the World Health Organization WHO affirmed that COVID 19

had become a public health emergency causing an international problem By March 12 2020 everybody was aware of this pandemic It also created an understanding about this first time consciousness in research about this disease which generated an immense publication production It also became the basis for this special volume
