future where you can tune into your body's natural rhythms and embrace the joy of parenthood **Yoga Body** Mark Singleton, 2010-02-10 In this groundbreaking book Mark Singleton shows that contrary to popular belief there is no evidence in the Indian tradition for the kind of health and fitness oriented asana practice that dominates the global yoga scene today Singleton's surprising and surely controversial thesis is that yoga as it is popularly practiced today owes a greater debt to modern Indian nationalism and even more surprisingly to the spiritual aspirations of European bodybuilding and early 20th century women's gymnastic movements of Europe and America than it does to any ancient Indian yoga tradition Voice and Voices in Antiquity Niall Slater, 2016-10-18 Voice and Voices in Antiquity draws together 18 studies of the changing concept of voice and voices in the oral traditions and subsequent literate genres of the ancient world Ranging from the poet's voice to those of characters as well as historically embodied communities and from the interface between the Greek and Near Eastern worlds to the western reaches of the Roman Empire the scholars assembled here offer a methodologically rich and diverse series of approaches to locating the power of voice as both poetic construct and communal memory The results not only enrich our understanding of the strategies of epic lyric and dramatic voices but also illuminate the rhetorical claims given voice by historians orators philosophers and novelists in the ancient world **Popular Series Fiction for K-6 Readers** Rebecca L. Thomas, Catherine Barr, 2009 Indexes popular fiction series for K-6 readers with groupings based on thematic consistent setting or consistent characters Annotated entries are arranged alphabetically by series name and include author publisher date grade level genre and a list of individual titles in the series Volume is indexed by author title and subject genre and includes appendixes suggesting books for boys girls and reluctant ESL readers **New Hope for Concussions TBI and PTSD** Dr. Lawrence D. Komer, Joan Chandler Komer, 2017-11-29 If you or someone you love has had a concussion or traumatic brain injury this book is for you New Hope for Concussions TBI PTSD is a powerful resource for the injured the caregivers the sporting world the medical community and those serving our veterans and others with PTSD It is a book of hope for all those who have been told We are sorry but there is nothing more we can do *Curried Cultures* Krishnendu Ray, Tulasi Srinivas, 2012-05-01 Although South Asian cookery and gastronomy has transformed contemporary urban foodscape all over the world social scientists have paid scant attention to this phenomenon Curried Cultures a wide ranging collection of essays explores the relationship between globalization and South Asia through food covering the cuisine of the colonial period to the contemporary era investigating its material and symbolic meanings Curried Cultures challenges disciplinary boundaries in considering South Asian gastronomy by assuming a proximity to dishes and diets that is often missing when food is a lens to investigate other topics The book's established scholarly contributors examine food to comment on a range of cultural activities as they argue that the practice of cooking and eating matter as an important way of knowing the world and acting on it
