Mindy Aloff

Ballet 101 A Complete Guide To Learning And Loving The Ballet:

Ballet 101 Robert Greskovic, 2005-11 Presents a look at the world of dance an analysis of ballet movement music and history a close up look at popular ballets and a host of performance tips

Ballet 101 Robert Greskovic, 2005-11 Presents a look at the world of dance an analysis of ballet movement music and history a close up look at popular ballets and a host of performance tips

Ballet 101 Robert Greskovic, 2000-03 The first comprehensive handbook on how to watch a look at the dancers examines the narrative vs the non narrative ballet Lists of recommended reading material video recordings Glossary of dance terms Contains a complete analysis of 16 important popular ballets ranging from the classical Swan Lake The Sleeping Beauty to the romantic Romeo Juliet to the modern efforts of Twyla Tharp in Push Comes to Shove *Ballet* Robin Rinaldi, 2010 An introduction to ballet the history styles and famous dancers and choreographers

The Ballets Russes and Beyond Davinia Caddy, 2012-04-26 A fresh perspective on the Ballets Russes focusing on relations between music dance and the cultural politics of belle poque Paris

Ballerina Deirdre Kelly, 2012 Throughout her history the ballerina has been perceived as the embodiment of beauty and perfection the feminine ideal But the reality is another story From the earliest ballerinas in the 17th century who often led double lives as concubines through the poverty of the corps de ballet dancers in the 1800 s and the anorexic and bulimic ballerinas of George Balanchine starvation and exploitation have plagued ballerinas throughout history Using the stories of great dancers such as Anna Pavlova Isadora Duncan Suzanne Farrell Gelsey Kirkland Evelyn Hart Marie Camargo and Misty Copeland Deirdre Kelly exposes the true rigors for women in ballet She rounds her critique with examples of how the world of ballet is slowly evolving for the better But to ensure that this most graceful of dance forms survives into the future she says that the time has come to rethink ballet to position the ballerina at its center and accord her the respect she deserves

Dance on Its Own Terms Melanie Bales, Karen Eliot, 2013-06-13 Dance on its Own Terms Histories and Methodologies anthologizes a wide range of subjects examined from dance centered methodologies modes of research that are emergent based in relevant systems of movement analysis use primary sources and rely on critical informed observation of movement The anthology fills a gap in current scholarship by emphasizing dance history and core disciplinary knowledge rather than theories imported from disciplines outside dance Individual chapters serve as case studies that are further organized into three categories of significant dance activity performance and reconstruction pedagogy and choreographic process and notational and other written forms that analyze and document dance The breadth of the content reflects the richness and vibrancy of the dance field each deeply informed examination serves as a window opening onto the larger world of dance Conceptually each chapter also raises concerns and questions that point to broadly inclusive methodological applications Engaging and insightful Dance on its Own Terms represents a major contribution to research on dance

Why Dance Matters Mindy Aloff, 2023-01-13 A passionate and moving tribute to the captivating power of dance not just as an art form but as a language that transcends barriers A smart bracing book of reflection analysis

memoir and history Willard Spiegelman Wall Street Journal A veritable master class Anne Doventry Booklist Mindy Aloff a journalist an essayist and a dance critic analyzes dance as the ultimate expression of human energy and feeling From her personal anecdotes her engaging collection of stories about dance from around the world or her description of the captivating photograph by Helen Levitt of two children dancing which she sees as one embodiment of the mystery and joy that dancing can evoke Aloff s exploration of the aesthetic social and spiritual impacts of dance will prove spellbinding Aloff takes us on a journey through various forms of dance rituals religious observances storytelling musical interpretations to show why dance matters to human beings Interlaced with personal experiences this book builds on analysis to reveal the intimate relationship we have with dance personal spiritual soul searching medicinal and entertaining The ideas speak to both specialist and general readers

Willa Cather and the Dance Wendy K. Perriman,2009 Anna Pavlova s revolutionary debut in 1910 at the Metropolitan Opera House captivated the nation and introduced Americans to the charms of modern ballet Willa Cather was among the first intellectuals to recognize that dance had suddenly been elevated into a new art form and she quickly trained herself to become one of the leading balletomanes of her era Willa Cather and the Dance A Most Satisfying Elegance traces the writer s dance education starting with the ten page explication she wrote in 1913 for McClure s magazine called Training for the Ballet Cather s interest was sustained through her entire canon as she utilized characters scenes and images from almost all of the important dance productions that played in New York

Narratives in Black British Dance Adesola Akinleye,2018-02-08 This book explores Black British dance from a number of previously untold perspectives Bringing together the voices of dance artists scholars teachers and choreographers it looks at a range of performing arts from dancehall to ballet providing valuable insights into dance theory performance pedagogy identity and culture It challenges the presumption that Blackness Britishness or dance are monolithic entities instead arguing that all three are living networks created by rich histories diverse faces and infinite future possibilities Through a variety of critical and creative essays this book suggests a widening of our conceptions of what British dance looks like where it appears and who is involved in its creation

Before, Between, and Beyond Sally Banes,2007-05-25 Sally Banes has been a preeminent critic and scholar of American contemporary dance and Before Between Beyond spans more than thirty years of her prolific work Beginning with her first published review and including previously unpublished papers this collection presents some of her finest works on dance and other artistic forms It concludes with her most recent research on Geroge Balanchine s dancing elephants In each piece Banes s detailed eye and sensual prose strike a rare balance between description context and opinion delineating the American artistic scene with remarkable grace With contextualizing essays by dance scholars Andrea Harris Joan Acocella and Lynn Garafola this is a compelling insightful indispensable summation of Banes s critical career

Dancing Past the Light Orel Protopopescu,2021-09-14 Dancing Past the Light cinematically illuminates the glamorous and moving life story of Tanaquil Tanny Le Clercq 1929 2000 one of the most celebrated ballerinas

of the twentieth century describing her brilliant stage career her struggle with polio and her important work as a dance teacher coach photographer and writer

Giacomo Meyerbeer Robert Ignatius Letellier,2019-01-31 Giacomo Meyerbeer was once one of the most famous of all opera composers enjoying into the twentieth century the same universal admiration and performance as a composer like Puccini does today Through a series of adverse factors his reputation was seriously damaged with the resurgence of nationalism and the growing anti-Semitism in France and Germany at the end of the nineteenth century the propagation of a Wagnerian operatic aesthetic the decline of the bel canto vocal tradition and the disfavour manifested towards the heroism of French grand opera All these factors and especially the ban on his music in Nazi Germany meant that Meyerbeer's reputation was seriously overshadowed in the years after the Second World War During the 1960s and 1970s a tentative interest began to manifest itself and with the advent of the new millennium a growing rediscovery of his operas has been apparent Not least in this process has been the recovery of all the composer's private papers and their scholarly editing His life and work have been the subject of a growing number of informed studies which have enabled radical reassessment This volume takes a fresh look at this process of rediscovery by considering the composer in terms of the primary sources diaries and letters now available for forming a more complete and detailed biography unclouded by prejudicial or uninformed opinions The extraordinary nature of Meyerbeer's Jewish background and the role of this family in Prussian emancipation are also considered Most importantly however his life and works are presented in a critical chronology that is fundamentally based on his own private papers with testimony both positive and negative from many contemporary sources A detailed iconography is integral to this process and helps to bring Meyerbeer's story and music more vividly to life

Meyerbeer's Robert le Diable Robert Ignatius Letellier,2014-03-17 Robert le Diable by Giacomo Meyerbeer is regarded as a musical milestone a definitive statement in the 19th century development of French grand opera from the tragédie lyrique of Lully Rameau Gluck and Spontini The libretto by Eugène Scribe and Germain Delavigne was derived from the medieval legend of Robert the Devil First performed on 21 November 1831 at the Paris Opéra the work brought Meyerbeer international celebrity Robert le Diable remains a legend in the annals of opera The fascinating story reveals a complex imagery and symbolism that touches on the deepest intuitions of human experience and personal development and exercises an archetypal unconscious appeal akin to the nature of fairy tales The musical language richly melodic and theatrically powerful looks back to Rossini and the traditions of bel canto and yet forges a new formal pliancy and dramatic urgency The harmony and orchestration the melodramatic plot and overwhelming stage effects especially the famous act 3 Ballet of the Nuns a touchstone of dark Romanticism confirmed Meyerbeer as the leading opera composer of his age His style fuses German counterpoint Italian melody French grandeur and unprecedented orchestral riches in a unique and overwhelming artistic blend Robert became one of the greatest successes in the history of opera In the first two years of its history it was given in 69 different theatres and was performed 754 times at the Paris Opéra until 1893 This huge success

was reflected in more than 160 transcriptions arrangements paraphrases and fantasias for the orchestra military band dance band piano and other solo instruments written between 1832 and 1955 After many years of neglect there is a resurgence of interest in this work with its fascinating appeal This book is devoted to the story of this exceptional opera It traces the origins the premi re the performance history and also considers the special characteristics of both the libretto and the music One of the most intriguing aspects of Robert le Diable was the nature of the iconography generated by its most famous scenes Artists and illustrators responded in many different ways to the Gambling Scene the Scene at the Cross the Cloister Scene for the legendary Ballet of the Nuns and the great trio in act 5 All of these are examined in terms of the the many different pictorial and plastic responses they inspired over some 60 years *George Balanchine* Brian Seibert,2005-12-15 Presents the life and accomplishments of the choreographer who made over four hundred dance works and is considered to be the most important ballet choreographer of the twentieth century *Jerome Robbins* Brian Seibert,2005-12-15 This book examines the life of one of America s most famous and prolific choreographers Robbins who is best known as the director and choreographer of the ground breaking musical West Side Story was equally successful choreographing classical works for the New York City Ballet for which he was the associate director Stunning easy to read and full of beautiful photos that supplement the narrative this book is an intelligent and sensitive look at the interesting and complex personality of a Jewish boy who became an American dance legend **Beauty Matters** Peg Zeglin Brand,2000-05-22 Beauty has captured human interest since before Plato but how why and to whom does beauty matter in today s world Whose standard of beauty motivates African Americans to straighten their hair What inspires beauty queens to measure up as flawless objects for the male gaze Why does a French performance artist use cosmetic surgery to remake her face into a composite of the master painters version of beauty How does beauty culture perceive the disabled body Is the constant effort to remain young and thin often at considerable economic and emotional expense ethically justifiable Provocative essays by an international group of scholars discuss aesthetics in aesthetics the arts the tools of fashion the materials of decoration and the big business of beautification beauty matters to reveal the ways gender race and sexual orientation have informed the concept of beauty and driven us to become more beautiful Here Kant rubs shoulders with Calvin Klein Beauty Matters draws from visual art dance cultural history and literary and feminist theory to explore the values and politics of beauty Various philosophical perspectives on ethics and aesthetics emerge from this penetrating book to determine and reveal that beauty is never disinterested *The Operas of Giacomo Meyerbeer* Robert Ignatius Letellier,2006 But these operas are far more than imitations they show an apprehension of convention and genre that is nothing less than a dismantling of accepted formulas and a highly original reconstruction of them Jacket **Performing Brazil** Severino J. Albuquerque,Kathryn Bishop-Sanchez,2015 These essays on Brazilian performance culture comprise the first English language book to study the varied manifestations of performance in and beyond Brazil from carnival and capoeira to gender acts curatorial practice and

political protest

Index to Dance Periodicals ,1998
