Stead,1999-07-22 A superbly illustrated journey through the tumultuous landscape and fascinating events of the notorious life of Robert the Bruce Exploring Robert the Bruce s kingdom from the North of England to the Scottish Highlands this gorgeously illustrated tome illuminates the little known facts about this Scottish legend For more than 600 years Robert the Bruce has had a unique place in Scottish history Yet behind the legendary hero king is a complex and in many ways more fascinating picture He was a man who not only led his nation to a famous victory over the English at Bannockburn but who overcame great odds to win power for himself in Scotland and fulfill his family s long held ambition for political power This book illustrated with color and black and white photographs takes the reader on Bruce s journey from his birth in southwest Scotland to his kingship and triumph at Bannockburn Here are the sites and settings associated with Robert the Bruce and those he fought perfect for any visitor to Scotland or the North of England wanting to learn more about the myth and the man   **Robert Bruce** G.W.S.
