God's Quest Lyman C.D. Kulathungam,2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God s relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God s incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God s sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life s turmoil and that the best is yet to be [RetroChristianity](#) Michael J. Svigel,2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svigel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism s historical and theological roots Svigel begins by addressing some of present day evangelicalism s problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svigel s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith **A Treatise Upon Infant Baptism** Moses Patten,1899 **Lutheran Reformers**

Against Anabaptists John S. Oyer,2012-12-06 Until well into the nineteenth century scholars have repeated a traditional view of Anabaptism when they turn to Reformation history They have regarded the Zwickau Prophets and Thomas Miintzer as the instigators of the movement The radical disturbance caused by the Prophets and Miintzer in Wittenberg and the Saxon lands spread to Switzerland there to plague Zwingli and his following In both regions a radical spiritualism was the dominating element of the movement Anabaptism reached its peak of development in the forceful establishment of the Kingdom of Miinster Most historians have devoted the major part of their discourse on Anabaptism to this model of fanaticism After the rebellion was suppressed a rather pious but nonetheless harsh converted priest named Menno Simons

collected the dispersed elements and attempted to direct them into more peaceful channels Other leaders like David J oris continued the radical spiritualism if not the civil disorder In this picture of the movement historians have insisted on regarding more highly the similarities rather than the differences in religious ideas of men such as Miintzer Storch Carlstadt Grebel Manz Sattler Denk Marpeck Matthys Jan van Leyden Joris and Menno Simons Even a cursory perusal of the writings of the Reformers particularly those of Luther Melanchthon Menius and Bullinger reveals the identity of this traditional picture with that of the sixteenth century polemicists

Caesar and the Sacrament R. Alan Streett, 2018-01-24 When the earliest Christ followers were baptized they participated in a politically subversive act Rejecting the Empire's claim that it had a divine right to rule the world they pledged their allegiance to a kingdom other than Rome and a king other than Caesar Acts 17:7 Many books explore baptism from doctrinal or theological perspectives and focus on issues such as the correct mode of baptism the proper candidate for baptism who has the authority to baptize and whether or not baptism is a symbol or means of grace By contrast *Caesar and the Sacrament* investigates the political nature of baptism Very few contemporary Christians consider baptism's original purpose or political significance Only by studying baptism in its historical context can we discover its impact on first century believers and the adverse reaction it engendered among Roman and Jewish officials Since baptism was initially a rite of non violent resistance what should its function be today

That His Spirit May Be Saved Jeremy M. Kimble, 2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulosity However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith

Assurance of Adoption Chun Tse, 2020-09-21 This book presents a new paradigm for assurance of salvation It argues that an adoption centric understanding of salvation based on union with Christ enables one to appreciate salvation in its fullest splendor Seeing assurance from historical exegetical and theological perspectives it contends that assurance of adoption is assurance of salvation

The Greatest Commands Scott Bayles, 2008-05 When asked what he believed was the most important command God ever issued Jesus replied The most important command is this Love the Lord your God with all your heart all your soul all your mind and all your strength The second command is this Love your

neighbor as you love yourself There are no commands more important than these Mark 12 29 31 NCV These two commands form the foundation of Christianity yet Jesus himself is the only person to ever keep them completely In The Greatest Commands Learning to Love like Jesus author Scott Bayles delves deeply into the life and love of Jesus in an attempt to draw closer to the heart of Christ and discover the true meaning of loving God and loving people Scott Bayles is a graduate of Freed Hardeman University and the preaching minister for First Christian Church in Rosiclare Illinois where he lives with his wife Ashley and their two children Yeshua and Sarai He loves God and loves the people that God has put in his life **40**

Gospel of John has been examined from many different perspectives but a comprehensive treatment of the theme of worship in this Gospel has not yet appeared John Paul Heil offers a contribution toward a remedy of this deficiency by analyzing the entire Gospel of John from the perspective of its various dimensions of worship The aim is to illustrate that three different but complementary dimensions of worship confessional sacramental and ethical dominate this Gospel Indeed these different types of worship represent the ways one expresses and demonstrates the faith that includes having divine life eternal which is the stated purpose for writing the signs Jesus did in this Gospel that you may believe that Jesus is the Christ the Son of God and that believing you may have life in his name John 20 31 *The Anointed ONE* Mark Brand, 2024-09-17 Here Am I
