discern good and bad tension within the church The outcome of good tension is success in achieving the goals and objectives of the ministry Bad tension can result in chaos complexity confusion and contradiction Bad tension freezes a ministry in time with no productive movement no common ground no unity and an endless array of activity spiraling into uselessness When each member of the church discovers his her own God given abilities to express love for God through the service of humankind the result is not unlike a symphony of diverse instruments chords and sounds all making a joyful sound in peaceful coexistence Bad tension creates a stench in God s nostrils It is the task of every Christian to embark upon a journey of discovery that ends in a God given ministry niche or place of service God calls every Christian to God s own hands to be broken melted molded filled and used to the glory of God Leaders are part of the solution and not part of the problem How does a vibrant and healthy congregation balance the need for stable leadership with the need for change How do changes within a ministry impact relationship within the church What effect does systemic change have on the entire church body What is the role of leadership in church relations What is a creative tension dynamic Leaders today must learn constructive interventions that interrupt malevolent cycles of destructive behaviors in order to balance the tension between resistance and acceptance in a way that empowers ministry and inspires growth [The Church Leader's Counseling Resource Book](#) Cynthia Franklin Ph.D.,Rowena Fong,2011-02-01 This all in one guide is designed to better equip clergy and the church leaders to meet their congregations needs in a spiritually grounded and scientifically sound manner Succinct easy to read chapters summarize all a pastor needs to know about a given problem area including its signs or symptoms questions to ask effective helping skills and most importantly when to refer to a mental health professional Synthesizing what research says about treatment approaches for mental health issues this user friendly reference is filled with guidelines case scenarios key points to remember resources for further help advice on integrating scripture and theology with the best available research and tips on partnering with others to provide the best possible care for each church member Each chapter is designed for quick lookup by problem area empowering church leaders to understand and help meet the challenges facing the children adults families and communities that they serve **Serving by Safeguarding Your Church** Robert H. Mathis,2022-05-11 The purpose of this study on charismatic and expository preaching is to find the common ground of the two preaching methods and solidify them into a sound biblical and theological preaching method that will edify the body of Christ and lead to growth for local churches To solidify charismatic and expository preaching it is necessary to explore the hermeneutical exegetical and homiletical issues that divide the two methods regarding the work of the Holy Spirit and the gifts the Spirit bestows to believers for ministry Charismatic interpretations concerning the gifts of the Spirit revolve around speaking in tongues as the primary identifier of being filled with the Spirit which most expository preachers and scholars view as an incorrect interpretation This study seeks to answer these problems in the quest of unifying both preaching methods
