**Barbarians to Bureaucrats** Lawrence M. Miller, 1989 Helps the reader understand the qualities of leadership most essential at each stage of growth in the life cycle of a corporation and presents the key factors in maintaining vitality in a corporation     Barbarians to Bureaucrats: Corporate Life Cycle Strategies Lawrence M. Miller, 1990-01-14 One day your sluggish company will taken to the sound of a beating drum and the sight of a competitor approaching at ramming speed On deck will be a jut jawed Barbarian He will hardly blink as his target is ripped asunder sending Aristocrats Bureaucrats and their unfortunate shipmates to their corporate death So goes Mr Miller s tale from which we can all profit The Wall Street Journal Barbarians to Bureaucrats presents a brilliant new solution to a stubborn old business problem how to halt a company s descent into wasteful stifling bureaucracy Lawrence M Miller a management consultant for such corporate giants as Xerox and 3M argues that corporations like civilizations have a natural life cycle and that by identifying the stage your company is in and the leaders associated with it you can avert decline and continue to thrive Every company begins with the compelling new vision of a Prophet and the aggressive leadership of an iron willed Barbarian who implements the Prophet s ideas New techniques and expansions are pushed through by the Builder and the Explorer but the growth spawned by these managers can easily stagnate when the Administrator sacrifices innovation to order and the Bureaucrat imposes tight control And just as in civilizations the rule of the Aristocrat out of touch with those who do the real work invites rebellion from employees customers and stockholders It will take the Synergist a business leader who balances creativity with order to restore vitality and insure future growth Executives from major corporations have already put the powerful insights of Barbarians to Bureaucrats into practice to regenerate their own companies Now you can use this brilliant lucid and dazzlingly original book to put your company and your career back on track     Barbarians to Bureaucrats Lawrence M.
