*Hindi Kahani Ka Itihas (1900-1950)* Gopal Ray, 2011-01-01 Philological study of short stories of Hindi authors *Minni and Anya Kahaniyan* Dr. Vijai Singh, 2025-06-24 *Minni and Other Stories* is a collection of stories that touch human emotions written in simple language and create a deep connection with the readers. The narrator has presented the complexities of society, relationships, and humanity very effectively on the basis of his medical and life experiences. The characteristics of the collection are the naturalness of the characters, ease of dialogue, and pictorial style. The stories ultimately take the reader to the world of contemplation through aphorisms. There is a glimpse of Premchand's language in the collection, and the author has observed and examined the events from his own perspective. These stories are not entertainment but a document of the spirit of the times which touch the reader deeply and inspire to read them again and again. **Abhivyakti Hindi Pathmala**
