HBR Guide to Better Business Writing Bryan Garner, 2013-01-15 DON'T LET YOUR WRITING HOLD YOU BACK When you're fumbling for words and pressed for time you might be tempted to dismiss good business writing as a nicety. But it's a skill you must cultivate to succeed. You'll lose time, money, and influence if your e-mails, proposals, and other important documents fail to win people over. The *HBR Guide to Better Business Writing* by writing expert Bryan A. Garner gives you the tools you need to express your ideas clearly and persuasively so clients, colleagues, stakeholders, and partners will get behind them. This book will help you push past writer's block, grab and keep readers' attention, earn credibility with tough audiences, trim the fat from your writing, strike the right tone, brush up on grammar, punctuation, and usage. [Better Business Writing](#)

Susan L. Brock, 2003 After completing this book you will have the critical skills to improve your spelling, punctuation, usage, and style while avoiding the pitfalls of business writing and creating persuasive and more effective memos and letters. Ten key techniques for effective communication will help you grow more confident in your ability to express yourself clearly. Good business writing is as important as ever. Being able to recognize and correct problems, avoid redundancies, and define your communication goals are all critical factors for effective business writing. **Better Business Writing** Timothy R. V. Foster, 2002 Praise and Reviews Essential guidance on communicating clearly, tightly, and with style. Timothy Foster provides unparalleled guidance on the whole subject. THE FORUM FOR ASSOCIATES OF THE INSTITUTE FOR INDEPENDENT BUSINESS August 2002 IMPROVE YOUR TECHNIQUE, EXPRESS YOURSELF POWERFULLY, WRITE WITH STYLE, MAKE A GREAT IMPRESSION. Many of the people you want to reach today will do almost anything to avoid the act of reading. They look, they scan, they skip lengthy text. They allow distractions to destroy what little concentration they have. They give up before absorbing your message correctly. Combine this fact with the prevailing trend to outsourcing and self-employment, which often means those who never thought of themselves as writers must now take on that task, and you have a difficult situation. The need for excellence in written communication has never been greater, especially in today's corporations, organisations, and one-man bands. *Better Business Writing* provides essential guidance on communicating clearly, tightly, and with style. Expert author Timothy R. V. Foster takes you through the whole subject with helpful advice and practical checklists. He covers all the important issues, including clarifying the audience to be reached, choosing a structure to fit the task, understanding different text styles and when to use them, creating advertisements and direct mail to get results, composing articles, speeches, and scripts to inform and enthuse, making business proposals and presentations to win, producing books, manuals, and brochures that work, developing effective Web sites, multimedia, and e-mails.
