Between Conformity And Resistance Women Garment Workers In Bangladesh:

Between Conformity and Resistance Petra Dannecker, 2002 **Everyday Life of Ready-made Garment Kormi in Bangladesh** Mohammad Tareq Hasan, 2022-07-15 This book portrays the scene where corporate international trade agreements a new neoliberal state regime and a growing textile market have contributed to the becoming of a new class of Muslim female workers who labor in Bangladesh's apparel export factories under conditions of neoliberal capitalism The garment kormi often abstracted by the homogenizing category of the garment worker remain lost in the statistics of development and empowerment or contrarily exploitation Thereby focusing on the everyday lives of garment kormi i.e. workers stories than on the collective of garment workers as a category this book at one front highlights the neoliberal structures of difference and inequality and on the other reflects on the potential of egalitarianism and change in terms of novel ways of comprising and expressing life worlds It shows that the values in life and the structures that govern life such as contemporary Bangladesh's neoliberal order kinship relationality and religiosity are co constitutive multi layered and always on the move never fixed **Conformity Or Resistance?** Petra Dannecker, 1999 **Revealing Gender Inequalities and Perceptions in South Asian Countries through Discourse Analysis** Mahtab, Nazmunnessa, 2016-05-16 Misconceptions regarding gender identity and issues of inequality that women around the world face have become a predominant concern for not only the citizens impacted but global political leaders administrators and human rights activists *Revealing Gender Inequalities and Perceptions in South Asian Countries through Discourse Analysis* explores how an analysis of language use in the South Asian region exposes issues related to gender identity representation and equality Emphasizing emerging research and case studies focusing on the concept of gender in Malaysia Bangladesh and Nepal this publication is an essential resource for social theorists activists linguists media professionals researchers and graduate level students

Working Gendered Boundaries Anja Rudnick, 2025-10-01 This study explores the short term migration of Bangladeshi women to Malaysia to work in labour intensive export oriented factories and considers the consequences of their decision to migrate While international migration is a much discussed issue so far little attention has been given to the vast flow of South to South migration which is particularly large in Asia The labour migration flows within this region are typified by their highly regulated nature temporary character and by the predominance of females undertaking migration So far most academic attention has focused on permanent or settlement migration This study aims to fill a gap in our understanding of migration theory by focusing on temporary migration processes The study examines the reasons Bangladeshi women gave for migrating and how their experience impacted their lives during their migration and after their return The findings underscore the importance of incorporating gender in migration theory and integrating it into analyses While in most cases their migration was socio culturally contested the women say they migrated in an effort to improve their socio economic standing This proved in general to be more difficult than anticipated wages were not paid according to contract or labour law

and male peers often opposed their efforts The complex nature of these women s position and situation preclude unequivocal conclusions as to the possible benefits or losses resulting from migration But by revealing the experiences of individual women this study helps to clarify some of the ambiguities of the individual migrants complex reality The analysis of their experiences exposes important gender dynamics

The Emergence of Bangladesh Habibul Khondker, Olav Muurlink, Asif Bin Ali, 2022-02-22 The Emergence of Bangladesh analyses and celebrates the first 50 years of Bangladesh as a nation bringing insights from key scholars in Bangladeshi studies to an international audience as well as bringing home to a domestic audience the work of some of the nation s greatest intellectual exports the Bangladeshi scholars who have made a mark in their field of study in academia The book offers unique coverage of the battlegrounds on which the founding of the new nation was fought including language power and religion and provides unique insight into some of the hot spots that continue to shape the development of the nation the issues of gender culture ethnicity governance the economy and the army Those with an interest in understanding the past or present Bangladesh will find this a trove of frank and readable analysis
