Stilson, 2010-11 Discovering The Power of Ugly will cost you your pride You will learn to take off your religious masks and stand naked before God Ugly will liberate you from a false spirituality which pretends that being spiritual means that you stop being a real flawed human being Ugly is a celebration of the beauty of God s grace reflected through our weaknesses not our strengths      **Illustrating Well** Jim L. Wilson, 2022-05-18 Communicate well by illustrating well Preachers face all kinds of obstacles on Sunday mornings A sermon that employs interesting and appropriate illustrations can help break through barriers and convey truth in a fresh way In Illustrating Well Jim L Wilson provides pastors with the tools to effectively use sermon illustrations to help them communicate the Bible s teachings To reach the hearts and minds of their congregations preachers must do more than explain the truth they must demonstrate how the truth relates to real life Every sermon should be theologically rich and thoroughly biblical but a good illustration can take what might be an abstract concept and turn it into a concrete reality for

the listener In *Illustrating Well* preachers will discover what makes for a compelling illustration as well as the benefits and potential pitfalls of particular types of illustrations **Minding the Web** Stanley Hauerwas, Robert J. **A Quid without Any Quo** Jason Micheli, 2023-07-31 Contemporary culture frequently defines freedom the way the Bible describes sin complete autonomy A Quid without Any Quo explores how the gospel sets us free for glad and joyful service Not only is Paul s Letter to the Galatians perhaps the most consequential book of the New Testament for the Protestant Reformation its radical and unyielding proclamation of grace apart from the law is once again timely in a culture that is often without mercy In these reflections on Paul s explosive epistle Jason Micheli shows how Protestants generally but preachers especially can recover a confident articulation of their original message In addition A Quid without Any Quo tackles challenging and relevant questions such as the nature of the Old Testament law the relationship between works and faith the meaning of justification by faith how the gospel relates to issues of race the character of Christian community and the reality of the hope found in Jesus Christ **Hear the Word** Dr. James A. Prette, 2011-04-29 Communicating the eternal truth of the Gospel in the continually changing context and language of contemporary culture can be a challenging task In *HEAR the WORD* author Dr James A Prette explores authentic Christian preaching in the postmodern culture In this examination Prette discusses the three essential elements of persuasive communication pathos ethos and logos and their parallels in Christian spiritual transformation content context and conveyor He offers a theological reflection exploring and defining a biblical paradigm for spiritual formation through the exposition of the biblical logos that crosses cultural and generational boundaries He also delves into the cultural shift that has taken place in the ethos of western culture from a modernist worldview to a postmodern one and its impact on Christian life and ministry *HEAR the WORD* offers nine important themes that can guide spiritual leaders in listening to and proclaiming the authentic word of God in this new postmodern paradigm

**Your Identity in the Trinity** Sean Cole, 2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing

obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ **Let the Church Meet in Your House!** Emerson T. Manaloto, 2019-10-31

The communities in which we live all suffer alienation from God and the sin social disorder and brokenness that follows As Christians we yearn to see our communities saturated with the good news of Jesus Christ but there are countless obstacles to overcome in our churches and mission agencies as we seek to fulfil this vision In this book Emerson Manaloto offers the model of New Testament based house churches as the vehicle for gospel ministry in communities around the world with specific applications for the Filipino context Examining four areas leaders learners lessons and locations Dr Manaloto presents foundational principles of the New Testament that can be the basis for our own contemporary churches and ministry Manaloto critically analyzes the house church in terms of its concepts in the first century its context in the Greco Roman world and its practices as outlined in the New Testament This analysis is then used to draw conclusions for how twenty first century small groups in the Philippines can be stable mature and multiply resulting in the birth of more churches locally and globally and the transformation of lives and communities as they encounter Jesus Christ **Let Us Draw Near** Ron Man, 2023-09-28

Drawing upon his experience in teaching this material over the past twenty five years in forty countries Ron Man provides a rich and deep examination of biblical worship drawing principles out of a rigorous study of the text of Scripture He also writes as a practitioner from the perspective of one who served as a church worship pastor for twenty two years Features distinguishing this book from other similar studies include 1 a tracing of the foundational Revelation and Response pattern through the Scriptures 2 a more thorough treatment of New Testament texts than is often found 3 a comprehensive treatment of the crucial role of Jesus Christ as the true Leader of our worship 4 a consideration of worship as it relates to world missions and 5 a concluding summary of twelve Biblical Principles of Worship synthesizing the results of the study **That Which They Can't See** David Van Brugge, 2025-01-20

In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace

of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today

**The Spiritual Formation of Leaders** Chuck Miller,2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That s why The Spiritual Formation of Leaders invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God s presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom

**Helping Johnny Listen** Thad Bergmeier,2010-03-01 The preaching of God s Word happens tens of thousands of times each week across the world As these sermons are given when the preacher is faithful to the text of the Scripture it is as if God is speaking to the people of that given congregation The question is are people listening Listening to preaching is more than showing up sitting still or even nodding one s head It is taking that which is preached and applying it to life Helping Johnny Listen is a book designed to help the average person who sits in the average church on the average Sunday take full advantage of the sermons they hear so that they are able to live what they hear

**Embodied Performance** Sarah Agnew,2020-09-22 Embodied Performance presents a methodology by which performer interpreters can bring their intuitive interpretations to the scholarly conversations about biblical compositions It may not be comfortable for scholarship is out of practice in listening to emotion and intuition It may not be the only way to bring the fullness of human meaning making into scholarly discussions It is a beginning as Sarah Agnew storyteller and scholar places herself as the subject and object under examination observing her practice as a biblical storyteller making meaning through embodied performance and develops a coherent method rigorously tested with an Embodied Performance Analysis of Romans Follow Sarah s story as she searches within Biblical Performance Criticism for such a method before determining the need to strike out in a new direction from within an already innovative field All biblical scholars are complex human beings making meaning through their embodiment their emotions their embeddedness in community Embodied Performance Analysis offers a way to attend to and incorporate the full range of human meaning making in our engagement with biblical compositions for richer discussion closer to the intent of the compositions themselves

*A Homiletical Praxeology on the Persuasiveness of Literary Forms* Ferdi P. Kruger,2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical

praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew s Gospel and the Hebrew sermon The book s uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice

**Restoration Appreciation** John C. Nugent,2022-05-13 The Restoration Movement is one of the largest Christian traditions indigenous to the United States boasting nearly four million adherents Over the last century however it has suffered internal division isolationism declining institutions and widespread ignorance of its own roots The dynamism and solidarity that once typified our churches appears to be fading which has many asking if the Restoration Movement has lost all momentum Yet Jesus prayed for Christian unity and tied such unity to the world s belief John 17 Only a united church will convince unbelievers that God sent Jesus as his ultimate expression of love for them This prayer propelled the early Movement into action and may do so again today This highly accessible book invites restorationists to rise above the partisanship of our day rally around our core commitments and lead out in our strengths It informs readers about the modest origins unique resources and current

challenges facing our churches It fosters stimulating conversations about mission race creeds Scripture education unity humility and relevance If it s time for you your congregation or your students to encounter or recover their restoration roots then this book is for you
