Manual of Industrial and Commercial Intercourse Between the United States and Spanish America ... Thomas Savage, 1889

The Anti-Romance Manual Aubrey Hoffmann, 2025-05-08. He wrote the rules I was hired to enforce. They were never part of the plan. Ethan is British, brilliant and built like temptation in a tailored suit. As CEO of one of Manhattan's most powerful consulting firms, he's made one thing brutally clear: romance in the office is strictly off limits. After a corporate scandal rocks the company, Ethan creates *The Anti Romance Manual*, a zero tolerance policy for workplace flings. No flirtation. No late night texts. No exceptions. And he handpicks me to help him write it. I'm the new assistant with a sharp tongue, a past I don't talk about, and a talent for breaking down even the most stubborn men. I thought I could handle working for Mr. No Fun, No Flings. But what started as a professional project has become a slow burn battle of wills. We're both losing. Closed door meetings. Accidental touches. Late night confessions. We crossed the line before we even touched. When we finally gave in, it wasn't a mistake; it was inevitable. And now I'm pregnant. With twins. Caught between boardrooms and baby bottles, Ethan and I are forced to rewrite all the rules we thought we needed. Because

the truth is love doesn't care about company policy and some connections were never meant to be controlled
