Bewitched At The Pumpkin Patch:

A Place Bewitched and Other Stories (riverrun editions) Nikolai Gogol, 2018-11-15 A wounded soldier vanishes into notoriety A nose is found in a loaf of bread Places like the Neveky Prospect are not what they seem Nikolai Gogol was one of the nineteenth century's greatest and most influential Russian writers a realist whose witty and acerbic observations and his taste for the absurd give his writing its strange comic voice Selected from the work of Constance Garnett one of Gogol's earliest translators this edition presents a new exclusive collection of Gogol's short fiction selected and lightly revised by Natasha Randall Contextualized by Randall's preface and full of the wit of Garnett's work this edition is the perfect introduction to Gogol and a must for the enthusiast

The Diaries of Polly Aster Kathy Tannas, 2020-04-08 When Polly Aster along with her twin brothers Jesse and Jordan and her best friend Amy stumble into the dwarf kingdoms she and she alone has been chosen to rid the world of the evil Venosius and his hoards of followers Join her and her companions in this enchanted land where she must restore four symbols to King Rori's castle before peace will again reign and Venosius and his armies will be forever destroyed

A Bewitched Crossroad Bessie Head, 1986 *Pumpkin* Cindy Ott, 2012-12-01 Why do so many Americans drive for miles each autumn to buy a vegetable that they are unlikely to eat While most people around the world eat pumpkin throughout the year North Americans reserve it for holiday pies and other desserts that celebrate the harvest season and the rural past They decorate their houses with pumpkins every autumn and welcome Halloween trick or treaters with elaborately carved jack o lanterns Towns hold annual pumpkin festivals featuring giant pumpkins and carving contests even though few have any historic ties to the crop In this fascinating cultural and natural history Cindy Ott tells the story of the pumpkin Beginning with the myth of the first Thanksgiving she shows how Americans have used the pumpkin to fulfill their desire to maintain connections to nature and to the family farm of lore and ironically how small farms and rural communities have been revitalized in the process And while the pumpkin has inspired American myths and traditions the pumpkin itself has changed because of the ways people have perceived valued and used it Pumpkin is a smart and lively study of the deep meanings hidden in common things and their power to make profound changes in the world around us
