Beyond Forgiveness Don Baker,1984 *Baptist Church Discipline. Revised Edition* James Leo Garrett,2004 **The Thirteenth Discipline** Lionel M. Moriah,2011-07-13 Perhaps the most critical issue for healthy growing churches is member care or life together in keeping with the biblical emphasis on allalon one another Member care demands that believers be passionately concerned for one another s spiritual welfare and physical and social well being This mutual care may be expressed in different ways but they are always to be directed to the needs of the members of the body of Christ That is the approach taken by the author of this book which focuses on what may be construed as a negative subject discipline The hope is that a careful reading will reveal that Christian discipline seen holistically may be a most rewarding ministry one that brings many benefits to healthy growing churches as it nurtures loving relationships among people who care enough to speak the truth with love as Jesus did **Walking Together** Wyman Lewis Richardson,2007-01-01 Walking Together A

Pastoral Responses to Sexual Issues William V. Arnold,1993-01-01 This excellent book offers help to pastors and other caring Christians who must act as triage officers on the front lines of congregational and community life and who believe in and want to explore the importance of sexual issues in ministry William Arnold believes that our sexuality is a defining element for understanding who we are and who God is For a pastor to work with people in a helpful and redemptive manner this powerful force must be faced with courage and care However the pastor must be aware that attempts to care can be damaging if there is not an openness to learning more about the multiple forces at work in our sexuality The pastor s awareness must be physiological psychological and theological William Arnold stresses self awareness as the key to dealing with sexual issues and advises the pastor not to rely strictly on intellectual information

The Theory of Christian Psychology Eva Klostreich,2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches

who only need God when they discovered I was a psychologist and criticized by others who only need psychology Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her first book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research **Love that Rescues** Eric J.

Bargerhuff,2010-02-01 In an age where church discipline has fallen out of favor in the context of many churches Eric Bargerhuff calls the church to a deeper understanding of its nature and purpose as an expression of God's fatherly love towards his people As a biblically mandated activity instituted by Christ himself in Matthew 18 church discipline is an essential practice of any faithful church that is committed to sharing the Gospel and making disciples Tackling some of the false notions and assumptions surrounding church discipline Bargerhuff sets forth a historical biblical theological and practical position that centers its identity and purpose on a proper understanding of the cross of Christ Since the punitive wrath of God was poured out for sin on the cross of Jesus Christ a penal substitutionary atonement it is therefore necessary to reject the notion that church discipline is punishment but rather it should be seen as God's hand of forgiveness and grace extended for the purpose of restoring reconciling and rescuing one of his own a sheep that has gone astray It is to be regarded as God's love in the actions of a forgiven and forgiving community **Why Hast The Mighty Fallen?** Michelle Robinson,2017-09-25 What happens when your life is spiraling out of control When did it start How did it get to that point And why did you not seek help Why Hast the Mighty Fallen An Intrinsic and Extrinsic Examination of the Lack of Counsel among Fallen Leaders is inspired by the deeply rooted passion of its author to end premature deaths suicides physical mental and emotional compromises that many leaders face particularly pastors and senior leaders of corporate organizations and politicians This book references many of the fallen leaders in corporate America But it also highlights the successes of those leaders who stand tall today Some chapters are testimonial and transparent because of the author's own plight as she knows firsthand how the lack of counsel can alter your life and the lives of your loved ones forever due to an unwillingness to seek help The book is intentional about laying out the pitfalls and step by step ways to avoid those pitfalls in a very practical nonconvoluted manner There are points where you may laugh or even cry But the purpose is to motivate you to do something about your current situation It will not go away unless you do something The author understands that sometimes personal rebellion and deep wounds resulting from the rebellion and sin of others cause us much pain Noteworthy is a quote from a revered author We often think of brokenness and neediness as bad but the gift of pain draws us into community with God and one another McMinn 2011 **Counseling and Community** Rod Wilson,2003-04 Traditionally counseling has focused primarily on the individual overlooking the interaction between the community and the individual Wilson has created a biblically based counseling model that anchors the individual within the community The result is a perspective that

encompasses all aspects of a person's life where the community becomes a helper in the counseling process. The thesis of this book is tied to the assumption that we need a counseling approach that is community oriented rather than exclusively focused on the individual. When this is the case we will be able to appreciate the biblical emphasis on the people of God. While he prizes a relationship with individuals, God's heart is with a body, a fellowship, a community. Both pastors and private counselors need to reaffirm the priority of community and its power in the healing process. Rod Wilson, PhD, York University is President and Professor of Counselling and Psychology at Regent College in Vancouver, B.C., Canada. He is also the author of *Exploring Your Anger and Helping Angry People*. **Exploring Ecclesiology** Brad Harper, Paul Louis Metzger, 2009-03-01. In this introduction to ecclesiology, respected scholars Brad Harper and Paul Louis Metzger offer a solidly evangelical yet ecumenical survey of the church in mission and doctrine. Combining biblical, historical, and cultural analysis, this comprehensive text explores the church as a Trinitarian, eschatological, worshipping, sacramental, serving, ordered, cultural, and missional community. It also offers practical application addressing contemporary church life issues such as women in ministry, evangelism, social action, consumerism in church, growth trends, ecumenism, and the church in postmodern culture. The book will appeal to all who are interested in church doctrine, particularly undergraduates and seminarians.

Developing Relationships with Integrity Armstrong Cheggeh, 2010. When discussing relationships within the Christian life and in all levels of Christian leadership, one cannot help but focus on two aspects of relationships: the relationship between the believer and the heavenly Father, and the relationship between believers and others. In this book, readers will review characteristics that influence the way people live out and react in their Christian lives or ministry. The message focuses on the fact that for Christian life and ministry to be possible and effective, the individual Christian's relationships and his or her walk with the Lord must be a top priority. Church Discipline and the Courts Lynn Robert Buzzard, Thomas S. Brandon, 1987. **Life in the Son** Robert Shank, 2024-06-18. A deep study on the doctrine of eternal security: Does one moment of faith secure a person's eternal destiny with God, even if that person later stops following and trusting in Jesus? Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God? Now expanded with new chapters and research, this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security, perseverance, and apostasy in the New Testament. Calling into question the popular, once-saved-always-saved belief, internationally respected pastor and scholar Dr. Robert Shank reveals that the question we should be asking is not, "Is the believer secure?" but rather, "What does it mean to be a believer?" Straightforward, thorough, and grounded in biblical understanding, this book warns Christians about dangers that could potentially lead a believer to become an unbeliever, falling away from faith and share in the unbeliever's eternal condemnation.
