### Book Description

Parents, there's no point hushing the topic of sex. Our pre-teens will see and hear confusing and inaccurate messages about their sexuality, through the media and among their peers. All around them, casual "hook-ups" are the new the relational norm. But we can win the hearts of our girls with a message of purity, by bringing the topic out into the light and offering the straightforward answers they need to make informed choices. Dr. Missy Kifetew remembers her own frustration in not being able to find the answers about sex she sought as a young girl. So here she writes with a tone of love, understanding, and honesty, as if penning a letter to her own daughter. In fact, she is. Her desire to equip her own daughter to pursue a sexually pure life inspired this book! In *Beyond the Fairy Tale*, girls will learn about the two basic necessities that prepare them to live sexually pure. They'll see how the beauty of God's creation is reflected in them and in His design for their sexuality. And they'll be equipped to avoid the dire consequences of sex apart from God's plan. Rather than a list of dos and don'ts, this book helps girls understand how and why God is for sex and pleasure... within the safe and loving boundary of marriage he designed. What our girls know and don't know about sex will make a lasting difference in their lives-like the difference between darkness and light. Each chapter includes reflection questions. Parent Guide and Leader Guide are available for download on the author's website, to help strengthen communication with youth on the topic of sex.

**Red Riding Hood and the Wolf in Bed** Ann Martin, 2006-01-01 Drawing on theoretical paradigms from gender and cultural studies Martin develops a participatory model of modernist literature and culture *Mujeres Sobre Mujeres, Teatro Breve Español* Patricia Walker O'Connor, 1998 *Sexology*, 1975 **Abstinence Cinema** Casey Ryan Kelly, 2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 *Abstinence Cinema* comes to a very different conclusion finding echoes of the evangelical movement s abstinence only rhetoric in everything from *Easy A* to *Taken* Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman s primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the *Twilight* films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years *Abstinence Cinema* offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency **Brio & Beyond**, 2005 *Compromising Positions* Leslie Dorrough

Smith, 2020 *Compromising Positions* argues that political sex scandals aren't really about sex. Rather, they are a form of cultural theater, moments of highly visible public storytelling that use racial and gendered symbols to create a collective sense of national worth and strength. The book shows that Americans condemn or excuse the sexual indiscretions of their politicians depending on the degree to which those politicians reinforce longstanding evangelical symbols associated with American values and a Christian nation. Changing Men, 1991

**Nineteenth-century Literature Criticism** Laurie Lanzen Harris, 1981 Excerpts from criticism of the works of novelists, poets, playwrights, short story writers, and other creative writers who lived between 1800 and 1900 from the first published critical appraisals to current evaluations. *The Promise of Diversity* Nicolas Wasser, 2017-02-15 Nicolas Wasser critically examines how sexual and racial identities are currently being articulated through capitalist brands and labor. On the basis of an ethnographic case study about a Brazilian fashion enterprise, he shows how young lesbian, gay, and black sales employees align themselves with the ambivalent promises put forward by diversity management. Their affective labor, the study argues, is at the center of new and globally unfolding regimes of the precarious. Readers will thus find a rich sociological account from the Global South on how neoliberal logics of self-optimization both traverse and fuel the aspirations of the minoritized. *The Fiction of Josef Škvorecký* Paul I. Witchard shows that Burke's immensely popular Chinatown stories destabilize social orthodoxies in highly complex ways, forcing us to rethink his influence on both sides of the Atlantic. She shows that China and chinoiserie served as mirrors that reveal the disquietudes of western art and culture.
