issue one that has seen media fuelled moral panic come to dominate public perceptions and debate Children Behaving Badly presents a powerful challenge to commonly held beliefs about peer violence and portrays it as an important child welfare concern By gathering together the most updated international research and expert commentary on peer violence issues from across the childhood spectrum this volume directly addresses the complexity of this troubling issue from a range of multidisciplinary disciplines and perspectives Contributions throughout the text reveal how childhood is not a homogenous experience but fragmented by gender ethnicity sexuality and poverty which are each addressed within specific chapters Other issues explored include pre school children and peer violence bullying youth gangs knife crime teenage partner violence sibling abuse homophobia international media depictions of violent youth and implications for professionals working with children and young people Throughout the text new and original research insights are presented with the goal of providing the reader with a greater understanding of the safeguarding of children and young people from this form of violence Children Behaving Badly is essential reading for policy makers researchers students and practitioners from a wide range of child welfare disciplines about a highly topical and complex social problem      **Community Youth Development**

Francisco Villarruel,2003-01-23 This edited text focuses on positive approaches to youth development that are rapidly supplanting the traditional deficit oriented problem reduction approach The book addresses the question what does it take to create a community that will promote the positive opportunities that can optimize the development of all young people The book draws together the perspectives of top names and programs in positive youth development thus assuring readers of authoritative cutting edge coverage      **Pride in the Projects** Nancy L. Deutsch,2008-07-12 Teens in America s inner cities grow up and construct identities amidst a landscape of relationships and violence support and discrimination games and gangs In such contexts local environments such as after school programs may help youth to mediate between social stereotypes and daily experience or provide space for them to consider themselves as contributing members of a community Based on four years of field work with both the adolescent members and staff of an inner city youth organization in a large Midwestern city Pride in the Projects examines the construction of identity as it occurs within this local context emphasizing the relationships within which identities are formed Drawing on research in psychology sociology education and race and gender studies the volume highlights the inadequacies in current identity development theories expanding our understanding of the lives of urban teens and the ways in which interpersonal connections serve as powerful contexts for self construction The adolescents stories illuminate how they find ways to discover who they are and who they would like to be in positive and healthy ways in the face of very real obstacles The book closes with implications for practice alerting scholars educators practitioners and concerned citizens of the positive developmental possibilities inherent in youth settings when we pay attention to the voices of youth      Gender Roles Janice W. Lee,2005 Gender encompasses biological sex but extends beyond it to the socially prescribed roles deemed appropriate for each sex by the culture in which we live The gender roles we each

carry out are highly individualistic built on our biological and physical traits appearance and personality life experiences such as childhood career and education and history of sexual and romantic interactions Each element influences perceptions and expectations Gender related experiences influence and shape the ways we think about others and ourselves including self image behaviour mood social advancement and coping strategies This new book brings together leading international research devoted to this subject Gender Equality from a Modern Perspective Tanusree Chakraborty, Nandita Mishra, Ashok Natarajan, Bipasha Chatterjee, 2023-10-20 Attempts to eliminate or reduce gender inequality have been made by governments international organizations NGOs policymakers and private organizations However the evidence still shows that the gender gap exists from womb to tomb from parental treatment to corporate leadership and even the genders psychologically different identity for that matter The question however arises with laws and regulations formed on gender disparity bills becoming acts society becoming broader in their outlook and adopting inclusivity in terms of gender in different spheres Are we still able to claim that we are addressing gender inequality enough This volume explores the disparity between genders in terms of the labor market and career advancement child rearing practices education financial literacy work life balance pay gaps and economic development to name a few areas It focuses on the robust themes of the gender gap from a modern perspective to enhance our understanding of gender inequality in today's world
