Beyond Superstructuralism Richard Harland, 2003-09-02 Moving on from his previous book Superstructuralism Richard Harland argues that the focus on single words in the structuralist theory of language is its key weakness and that the next advance beyond post structuralism depends upon replacing word based with syntagm based theories In a lucid way he develops a new syntagmatic theory which shows that the effect of combining words grammatically can transform the very nature of meaning The wide breadth of coverage in the book covers both post Chomskyan linguistics and Derrida and sets up an opposition to analytic and speech act views of language By presenting a systematic critique and counter proposal Harland challenges the very foundation of recent literary and language based theory

Paul, Philosophy, and the Theopolitical Vision Douglas Harink, 2010-02-12 The apostle Paul was a man of many journeys We are usually familiar with the geographical ones he made in his own time This volume traces others Paul's journeys in our time as he is co opted or invited to travel sometimes as abused slave sometimes as trusted guide with modern and recent Continental philosophers and political theorists Kierkegaard Nietzsche Heidegger and Benjamin Taubes Badiou Zizek and Agamben Paul journeys here among the philosophers In these essays you are invited to travel with them

into the regions of philosophy hermeneutics political theory and theology You will certainly hear the philosophers speak But Paul will not remain silent Above the sounds of the journey his voice comes through loud and clear Back of Beyond Frances Brand,2024-09-18 Subtle shades of landscape and light changing throughout the year ravens tumbling overhead and returning swallows gathering mud to build their nests all woven into a humorous yet heart rending account of life entwined with nature This tale of running a bed and breakfast in the Shropshire Hills reveals a learning curve of mistakes and challenges set against the ever present beauty of the natural world until the cruel intervention of motor neurone disease darkens the idyll An inspirational affirmation of life and intimate engagement with nature which reveals its own complex and powerful character Small cameos of wild things are sharply observed written with real love and illustrated with exquisite drawings Living with the Covid pandemic climate change and deteriorating health not to mention an unforgettable kaleidoscope of two four and six legged guests each episode of this rural life is faced with wry humour courage and resourcefulness deepening the sense of life s value Those who care for the natural world and our environment will warm to this profoundly moving story **An Ethics Beyond** Kevin Richard Kaiser,2019-07-22 This study examines the fiction of contemporary American author George Saunders in terms of how it presents situations applicable to the chief notions of posthumanist ethics and how these conceptions concern nonhuman animals which are prevalent in his writing Posthumanist ethics can help us understand what is at play in Saunders s fiction Meanwhile his texts can help us understand what is at stake in posthumanist ethics This interdisciplinary project may be beneficial both to conceiving new notions of ethics that are more inclusive and more implicitly to understanding the relevance of Saunders s fiction to the current American sociocultural climate **The Church of the Beyond, vol 2: Living in the Way** Benjamin Hoogterp,2012-01-12 Truly I say to you among those born of women there has not arisen anyone greater than John the Baptist Yet the one who is least in the kingdom of heaven is greater than he From the days of John the Baptist until now the kingdom of heaven suffers violence and violent men take it by force For all the prophets and the Law prophesied until John And if you are willing to accept it John himself is Elijah who was to come He who has ears to hear let him hear But to what shall I compare this generation It is like children sitting in the market places who call out to the other children and say We played the flute for you and you did not dance we sang a dirge and you did not mourn For John came neither eating nor drinking and they say He has a demon The Son of Man came eating and drinking and they say Behold a gluttonous man and a drunkard a friend of tax collectors and sinners Yet wisdom is vindicated by her deeds Matthew 11 11 19 Living in the Kingdom life is life according to the words of Jesus the Master He alone is the one with the words of Eternal life and to disregard them is to do so at one s own peril Many are the attempts to rebuild the church of the first century but few connect the words of the Gospels the life of faith and outpouring of His Spirit with the foundation stones the apostles that Jesus raised up The church was founded upon Christ as the cornerstone and these men who knew His words and because of it it stood through even the shaking of the religious

structures of that day Today is the day to rebuild to restore and to reform It is the day of revolution In a day when everyone has their own ideas of how to live the Gospel we do well to return to the book and look again at these eternal words from our Lord Why should we call Him that if we don't And if our walk does not end up looking like His how far has the apple fallen from the tree
