The Cornered Cat Kathy Jackson, 2010 If you have to fight fight like a cornered cat Cover *Glamping with MaryJane* MaryJane Butters, 2012-09-01 Glamour camping is about the juxtaposition of rugged and really pretty grit and glam diesel and absolutely darling The New York Times Glamping unleashing your inner wild while wearing a pair of fishing lure earrings is for every woman or man who ever had a get away from it all fantasy with a few frilly embellishments thrown in Learn about the never fail campfire cooking with cast iron how to change a flat and much much more Like the infamous Calamity Jane who said I figure if a girl wants to be a legend she should go ahead and be one MaryJane Butters coined the term glamping years ago when she founded her unusual Idaho canvas wall tent bed breakfast which was featured in The New York Times Magazine and Travel Leisure as the place to be Legend status achieved MaryJane lives in Moscow Idaho where she runs her many businesses which include a successful organic farm product lines a bed breakfast and MaryJanesFarm magazine This is her fourth book One busy hectic afternoon in my house I sat down to take a quick peek at Glamping Over two hours later I was still reading blissfully lost in MaryJane s beautiful world I m dying over this book I absolutely positively LOVE IT Ree Drummond New York Times bestselling author of *The Pioneer Woman Cooks* **Taking Your First Shot** Lynne

Finch, 2013-06-13 Numbers don t lie more and more women are purchasing guns and learning to shoot While shooting used to be a male dominated sport women across the country have begun discovering that a trip to the range not only is relaxing but also brings with it a sense of strength and empowerment Taking Your First Shot is an introductory guide perfect for either those stepping out onto the range for the first time or those looking to brush up on their skills Author Lynne Finch coaches women on the decision to learn to shoot how to find formal training selecting and purchasing a handgun defensive versus practice ammunition storing and caring for your gun and concealed carry options Along with learning the shooting basics Finch also teaches readers the importance of situational awareness and the basics of self defense Sometimes a gun isn t always an answer and it s important to have a proportional response to the situation Finch begins with teaching readers how to become aware of their surroundings what to watch for and how to respond From there she goes on to define proportional response and why carrying pepper spray a kubotan or even a whistle can make all the difference Learning to shoot is a personal decision but with the proper training and practice shooting can become both an enjoyable and liberating sport **The Lives of Guns** Jonathan Obert, Andrew Poe, Austin Sarat, 2018-09-03 Guns have never been as prevalent in

American culture as they are at this moment Most contemporary conversations on guns either highlight the gun as just a tool used in mass killings or a right to be fiercely defended eventually whatever progress these debates foster in the public conversation tend to halt altogether once the old clich guns don t kill people people kill people is trotted out These gun control and gun violence discussions take the gun as passive object ignoring the changing effects and the very agency that guns may deploy as politicized objects What happens if we reset the conversation and admit that guns and not the people

behind them kill people The Lives of Guns offers a new and compelling way of thinking about the role of the gun in our social and political lives In gathering ideas from law science studies sociology and politics each chapter turns the stale standard gun conversations around by investigating the gun as an object with agency In approaching guns from a technological perspective down to the very science of how they are created and how they fire The Lives of Guns takes up a number of questions such as How does the presence of these objects shape civic ideology What does it mean to develop and care for gun and gun accessories technology What do guns mean to those who build them versus those who fight for and against them What could happen when drone technology meets gun technology In bringing together fresh perspectives from leading lawyers political scientists and historians The Lives of Guns promises to move the gun debate forward by opening up new ways of thinking about these issues and broadening the scope of these perennial debates

Female and Armed Lynne Finch, 2015-06-09 In *Female and Armed* Lynne Finch offers an information packed follow up to her first book *Taking Your First Shot* Based on questions and requests from readers this book addresses more advanced techniques for personal defense as well as range drills to help readers practice and hone those skills It s important to know how to defend yourself and Finch provides the building blocks necessary to successfully navigate some dangerous real life scenarios Be it a carjacking robbery or home invasion readers will learn how to protect themselves and their family *Female and Armed* introduces readers to more advanced situational awareness techniques and builds upon their previous shooting experience by teaching them how to responsibly handle and carry a concealed handgun Finch covers the advances in female holsters and discusses the various ways to carry as well as the importance of having a primary carry method In addition to this topics include handgun retention defensive draw stroke and defensive reloading shooting from an unstable platform and shooting from within a car Knowing how to handle yourself can make all the difference in a stressful and dangerous situation This guide also includes defensive tactics when confronted by an assailant armed with a gun or knife Brimming with full color photos this approachable guide is written in Finch s distinctive conversational and nonthreatening style It is great for the novice shooter looking to advance and for the more experienced shooter looking for tips to improve her shooting
