Mystery and Suspense Writers Robin W. Winks, Maureen Corrigan, 1998 This volume contains bio critical information on popular writers of the genre **We Must Have Certainty** J. Kenneth Van Dover, 2005 *We Must Have Certainty* surveys the development of the genre of the detective story from its origins in the mid nineteenth century to its current profile in the

early twenty first century It locates a principal appeal of the genre in the nature of the world that the detective necessarily inhabits a world of more or less realistic violence and excitement and at the same time a world that always in the end makes sense It suggests that there is a significance to a popular narrative formula that requires that an initial world of suspicion and uncertainty be inevitably transformed by the detective into a world of clarity and order Though scholarship in the field is acknowledged the author s citations are most often from detective stories themselves The essays are written in an accessible style those who have read a few novels in the genre as well as those who have read many will find the book stimulating and provocative The Publishers Weekly ,1997 *Literaturimport transatlantisch* Uwe Baumann,1997 American Book Publishing Record ,1996-05 *New Hard-boiled Writers, 1970s-1990s* LeRoy Panek,2000 With an eye toward the origins and development of the hard boiled story LeRoy Lad Panek comments both on the way it has changed over the past three decades and examines the work of ten significant contemporary hardboiled writers Chapters show how the new writers have used the hard boiled story and the hard boiled hero to make powerful statements about reality in the last quarter of the twentieth century BOOK JACKET Uncle John's True Crime Bathroom Readers' Institute,2012-09-01 A collection of strange but true crime tales featuring cops lawyers and some very unusual suspects The fact finding folks at Bathroom Readers Institute have rounded up the best cops and robber articles we ve ever done plus a rogues gallery of new offenders You ll read about dumb crooks and criminal masterminds mafia henchmen and low level goons ancient warriors and Old West gunslingers crazed cops and jovial judges and even a few loony lawyers and crooked Wall Street types Find out about New York City s Mad Bomber The Biddle Brothers and the Queen of the Jail Law and Order Special Pants Unit Dopes who hide their dope in the strangest places America s first private eye NASCAR s bootlegging beginnings The real pirates of the Caribbean Why CSI makes the cops job even harder Billy the Kid and other outlaws who died with their boots on George Luger Samuel Colt and other fathers of guns The greatest train robberies Arrested for farting And much more **Cassette Books** Library of Congress.
