Johannes Cabal Jonathan L. Howard, 2025-09-23 A Darkly Gripping Comic Fantasy Beyond the wall of sleep lies the Dreamlands a world formed by dreams but not a dream itself For countless millennia it has been explored only by those with a certain detachment from mundane reality its strange seas navigated and its vast mountains climbed by philosophers mystics and poets Well those halcyon days are over beatniks Johannes Cabal is coming Cabal a necromancer of some little infamy is employed by the mysterious Fear Institute to lead an expedition into the Dreamlands an expedition to hunt and destroy the dread Phobic Animus the font of terrors the very source of all the world's fear They will enter exotic lands where magic is common and monsters abound Cabal will encounter witches vile abominations and far too many zebras And when they finally come close to their goal Cabal will have to face his own nightmares But for a man who communes easily with devils and the dead surely there is nothing left to fear **Johannes Cabal: The Fear Institute** Jonathan L.

Howard, 2011-09-01 Johannes Cabal and his rather inexact powers of necromancy are back once more This time his talents are purchased by The Fear Institute as they hunt for the Phobic Animus the embodiment of fear The three Institute members led by Cabal and his Silver Key enter the Dreamlands and find themselves pursued by walking trees plagued with giant ticks stone men that patrol the ruins of their castles cats that feed on human flesh and phobias which torment and devastate The intrepid explorers are killed off one by one as they traipse through this obfuscating and frustrating world where history itself appears to alter Cabal annoyed that the quest is becoming increasingly heroic finds himself alone with the Institute's only remaining survivor and after a shockingly violent experiment begins to suspect that not everything is quite as it seems
