Wizard: The Manga, Vol. 2 James Patterson, Ned Rust, 2012-06-26 When Whit and Wisty were imprisoned by the wicked forces of the totalitarian regime known as the New Order they were barely able to escape with their lives. Now part of a hidden community of teens like themselves, Whit and Wisty have established themselves as leaders of the Resistance, willing to sacrifice anything to save kids kidnapped and brutally imprisoned by the New Order. But the One has other plans in store for them. He needs Wisty for she is The One Who Has the Gift. While trying to figure out what that means, Whit and Wisty's suspenseful adventures through Overworld and Shadowland lead to a jaw-dropping climax and conclusion. **The Gift** James Patterson, Ned Rust, 2011 The government has seized control of society and now kids are disappearing. For 15-year-old Wisty and her older brother Whit, life turns upside down when they are hauled out of bed one night, separated from their parents and thrown into a secret compound. While imprisoned, they start exhibiting strange abilities and powers. **Witch and Wizard: the Lost** James Patterson, 2015-11-19 Whit Allgood is renowned for healing the victimised. But now the people of his City have turned their backs on all who use magic, and Whit is faced with a terrible choice: give up his power or let good people die. Wisty Allgood once saved the City from despair, but now she watches over a society that fears her power and is unwilling to accept her as she is. Increasingly bitter and isolated, she is on the brink of abandoning everyone she's ever cared for. All the while, a daunting but charismatic new enemy with unsurmountable power is gathering legions of cult followers, enslaving thousands and wrenching public opinion against its former heroes, making the City vulnerable to a catastrophic attack from which it would never recover. With the Allgoods unable to help, evil finally takes back control. **Witch & Wizard: The Fire** James Patterson, 2011-10-13 Whit and Wisty Allgood have sacrificed everything to lead the Resistance against the evil regime that governs their world. And now its supreme leader, The One Who Is The One, has executed the only family they had left. Wisty knows that the time has finally come for her to face The One. But her magic and her fire only channel more power to this already formidable being. How can she and Whit possibly defeat the ruthless villain who devastated their world before he can become truly all-powerful? In this amazing third instalment of the epic Witch Wizard series, the stakes have never been higher and the consequences will change everything. **La tierra de las sombras (Witch & Wizard 2)** James Patterson, 2013-07-29 La mística los libros el arte la imaginación todo prohibido.
