The Pledge Michael Masterson, 2010-10-26 An actionable guide for quickly improving one's wealth, personal development and happiness. Successful people don't sit around waiting for everything to be 100% right or to be absolutely sure they will succeed. The book offers simple tips to making immediate changes and to establishing long-term goals. Details strategies on becoming more productive at the office and defeating depression. Explains why simplifying goals into four major ones makes them much easier to achieve. *The Pledge* teaches readers how to start and finish projects they have been dreaming about for years, boost confidence, strengthen skills, build wealth and enjoy life.
