Theology, Religion and The Witcher Yael Thomas Cameron, Jonathan Hoskin, 2024-12-15 Whether intentional or not the power of a moment in popular culture like The Witcher can illuminate and question what might be taken for granted or left unseen in our world Theology Religion and The Witcher Gods and Golden Dragons takes a profound look at the intersection of popular culture and religious studies in Andrzej Sapkowski's Witcher The twelve contributors offer close readings and analysis of an eclectic tapestry of characters and stories from The Witcher games live action role play Netflix series short stories and novels This book is not only an exploration of religious symbolism or theology in the stories but how dialogue events and imagery in The Witcher intersect with the real world in which we live where religious ideologies continue to shape global politics and lives shifting and pressing upon the entirety of civilization for better or for worse

International Perspectives on Rethinking Evil in Film and Television Tüysüz, Dilan, 2020-12-22 Aestheticization of evil is a frequently used formula in cinema and television However the representation of evil as an aesthetic object pushes it out of morality Moral judgments can be pushed aside when evil is aestheticized in movies or TV series because there is no real victim Thus situations such as murder or war can become a source of aesthetic pleasure Narratives in cinema and television can sometimes be based on a simple good evil dichotomy and sometimes they can be based on individual or social experiences of evil and follow a more complicated method Despite the various ways evil is depicted it is a moral framework in film and television that must be researched to study the implications of aestheticized evil on human nature and society International Perspectives on Rethinking Evil in Film and Television examines the changing representations of evil on screen in the context of the commonness normalization aestheticization marginalization legitimization or popularity of evil The chapters provide an international perspective of the representations of evil through an exploration of the evil tales or villains in cinema and television Through looking at these programs this book highlights topics such as the philosophy of good and evil the portrayal of heroes and villains the appeal of evil and evil's correspondence with gender and violence This book is ideal for sociologists professionals researchers and students working or studying in the field of cinema and television and practitioners academicians and anyone interested in the portrayal and aestheticization of evil in international film and television

The Sun We Share Kristine Larsen, 2024-11-21 As the dominant star in our sky the Sun has been alternately worshipped as a god and viewed as a threat over the course of human history Despite significant advances in astronomy the

Sun continues to surprise us most notably in its production of so called space weather that impacts technology here on Earth This unique mixture of familiarity and mystery has made the Sun a main character in popular media over the past three centuries This book examines how popular media have adapted to our ever changing understanding of the inner workings of the Sun It provides a valuable way to observe the inherent problems of communicating science to a non technical audience Chapters cut through the widespread hype found on the Internet and instead explore our ever improving scientific exploration of the Sun the persistent misconceptions surrounding it the fate of the Sun and its relation to the fate of the Earth and why despite comments to the contrary by Oscar Wilde the average person should care about sunspots

Heroic Girls as Figures of Resistance and Futurity in Popular Culture Simon Bacon, 2024-04-09 Heroic Girls looks at the recent proliferation of young girl heroes in many recent mainstream films and books These contemporary final girls do not just survive but rather suggest that in doing so they have fundamentally changed something about themselves and or the world around them seeing them become the First Girls of this altered reality The collection brings together a wide range of perspectives and cultural viewpoints that describe many recent narratives that explore the idea of a Final Girl and her after story The essays are divided into four sections beginning with more theoretical approaches cross cultural examples the ways in which fictional narratives bear strong relation to real world circumstances examples that more strongly depict themes of resistance survival and individual agency and finally those that describe something more fundamental and transformative Films and television shows covered in the collection include The Girl with All the Gifts The Witcher The Hunger Games Star Wars The Fear Street and Pan's Labyrinth This book will be of interest to researchers and students of film studies gender studies and media studies
