The Enchanted April By Elizabeth Von Arnim:

The Enchanted April Elizabeth von Arnim, 2021-01-01 A 1922 women's adventure and travel novel by British American novelist Elizabeth von Arnim. It is said to be the author's lightest and most refreshing novel. The novel follows four dissimilar women in 1920s England who leave their rainy grey environments to go on holiday in Italy. Mrs Arbuthnot and Mrs Wilkins, who belong to the same ladies club but have never spoken, become acquainted after reading a newspaper advertisement for a small medieval castle on the Mediterranean to be let furnished for April. They find some common ground in that both are struggling to make the best of unhappy marriages. The four women come together at the castle and find rejuvenation in the tranquil beauty of their surroundings, rediscovering hope and love.

when the letter had been posted in the letter box in the hall and actually was beyond getting back again both she and Mrs Wilkins felt the same sense of guilt. It only shows said Mrs Wilkins in a whisper as they turned away from the letter box how immaculately good we've been all our lives. The very first time we do anything our husbands don't know about we feel guilty. I'm afraid I can't say I've been immaculately good gently protested Mrs Arbuthnot a little uncomfortable at this fresh example of

A lovely tale of enticing figures that turn themselves into an enchanting location during their holiday. With idyllic depictions of spring in Italy, this is delightfully amusing and observant. With its well-drawn female characters, magical atmosphere, and happy ending for everyone, it led to action by the monotony of their lives in London. Two not quite friends resolve to rent a medieval Italian castle for a month in the hopes of seeking revival. They are accompanied by two other ladies, a socialite and a dowager, searching for a solution to their problems. As the quartet finally settles in together, though not always gracefully, they share the charm and pleasure of their springtime castle, and each of them rediscovers the selves they had lost. The concern is whether the magic will be carried over into their lives and loves in the real world. This is a timeless classic that inspired the film of the same name. The book is full of reflective and informative introspection and significant character interaction that turns the characters from traditional archetypes to more thoroughly fleshed-out women. The book's structure and vocabulary are poetic and romantic, which acts as a fun backdrop for the development we witness in character. The book contains a biography of one of the most famous British writers, Elizabeth von Arnim.

thematically Maddison's book is informed by unpublished material from the British and Huntington Libraries including correspondence between von Arnim her publishers and prominent contemporaries such as H G Wells Bertrand Russell and her cousin Katherine Mansfield whose early modernist prose is seen as indebted to von Arnim's earlier literary influence Maddison's exploration of the novelist's critical reception is situated within recent discussions of the middlebrow and establishes von Arnim as a serious author among her intellectual milieu countering the misinformed belief that the author of such novels as *Elizabeth* and *Her German Garden* *The Caravaners* *The Pastor's Wife* and *Vera* wrote light hearted fiction removed from gritty reality On the contrary various strands of socialist thought and von Arnim's wider political beliefs establish her as a significant author of British anti invasion literature while weighty social issues underpin much of her later writing
