Ladies Who Punch Ramin Setoodeh, 2025-09-23 THE INSTANT NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER Like *Fire Fury* the gossipy real life soap opera behind a serious show When Barbara Walters launched *The View* network executives told her that hosting it would tarnish her reputation Instead within ten years she d revolutionized morning TV and made household names of her co hosts Joy Behar Star Jones Meredith Vieira and Elisabeth Hasselbeck But the daily chatfest didn t just comment on the news It became the news And the headlines barely scratched the surface Based on unprecedented access including stunning interviews with nearly every host award winning journalist Ramin Setoodeh takes you backstage where the stars really spoke their minds Here s the full story of how Star then Rosie then Whoopi tried to take over the show while Barbara struggled to maintain control of it all a modern day *Lear* with her media savvy daughters You ll read about how so many co hosts had a tough time fitting in suffered humiliations at the table then pushed themselves away feeling betrayed one nearly quitting during a commercial Meanwhile the director was being driven insane especially by Rosie Setoodeh uncovers the truth about Star s weight loss and wedding madness Rosie s feud with Trump Whoopi s toxic relationship with Rosie Barbara s difficulty stepping away Plus all the unseen hugs snubs tears and one dead rodent *Ladies Who Punch* shows why *The View* can be mimicked and mocked but it can never be matched

The American Encyclopaedic Dictionary, 1897 The Encyclopaedic Dictionary Robert Hunter, 1896 **Hollywood TV** Christopher Anderson, 1994 The 1950s was one of the most turbulent periods in the history of motion pictures and television During the decade as Hollywood s most powerful studios and independent producers shifted into TV production TV replaced film as America s principal postwar culture industry This pioneering study offers the first thorough exploration of the movie industry s shaping role in the development of television and its narrative forms Drawing on the archives of Warner Bros and David O Selznick Productions and on interviews with

participants in both industries Christopher Anderson demonstrates how the episodic telefilm series a clear descendant of the feature film became and has remained the dominant narrative form in prime time TV This research suggests that the postwar motion picture industry was less an empire on the verge of ruin as common wisdom has it than one struggling under unsettling conditions to redefine its frontiers Beyond the obvious contribution to film and television studies these findings add an important chapter to the study of American popular culture of the postwar period *Ski* ,1985-10 *Mexico* ,2008
