The Illusion Of Return By Samir El Youssef:

The Illusion of Return Samir El-Youssef, 2019-01-12 Meeting a friend after many years separation the narrator wonders whether the events they both lived through in Lebanon really took place Time and distance give a sense of unreality but when the narrator and Ali meet at Heathrow Airport after seventeen years the past slowly begins to unfold Like so many other Palestinians who were born in the Lebanon they had to leave in the mid 1980s when it became a battlefield for different militias and armies Lebanese Palestinian Israeli and Syrian Ali leaves for America and two years later the narrator leaves for London Their memories are concentrated on one fatal night when they and two other friends are together for the last time before tragedy strikes But for the narrator a personal tragedy had struck much earlier one which he would never forget and could not share

Palestinian Literature and Film in Postcolonial Feminist Perspective Anna Ball, 2012-11-27 Palestinian Literature and Film in Postcolonial Feminist Perspective is the first sustained study of gender consciousness in the Palestinian creative imagination Drawing on concepts from postcolonial feminist theory Ball analyses a range of literary and filmic works by major creative practitioners including Michel Khleifi Liana Badr Annemarie Jacir Elia Suleiman Mona Hatoum and Suheir Hammad and reveals a hitherto unrecognized trajectory in gender consciousness under development in the Palestinian imagination from the start of the twentieth century The book explores how these works resonate with questions of power identity nation resistance and self representation in the Palestinian imagination more broadly and asks how these gender conscious narratives transform our understanding of Palestine s struggle for postcoloniality Working at the cusp of postcolonial feminist and cultural enquiry Ball seeks to open up vital new directions in the interdisciplinary study of Palestine

Biemann, Richard I. Cohen, Sarah E. Wobick-Segev, 2019-12-02 Homeland Exile Imagined Homelands are features of the modern experience and relate to the cultural and historical dilemmas of loss nostalgia utopia travel longing and are central for Jews and others This book is an exploration into a world of boundary crossings and of desired places and alternate identities into a world of adopted kin and invented allegiances **The Other Middle East** Franck Salameh, 2018-01-09 This unique literary collection offers a window on the contemporary Levant a region comprising most of Lebanon Syria Jordan Palestine Israel Cyprus parts of southern Turkey and northwestern Iraq and the Sinai Peninsula Originally written in Arabic French Aramaic Lebanese Egyptian and Hebrew and reflecting an extraordinary diversity of cultures faiths traditions and languages the selections in this book also convey a wide range of ideas and perspectives to offer readers a nuanced understanding of the mosaic that is the contemporary Middle East Franck Salameh who compiled this anthology over the course of more than two decades introduces and annotates each selection for the benefit of the uninitiated reader offering background on the various peoples and politics of the Levant In these pages we discover a Middle East in which as one writer puts it an Armenian and a Turk can still hold hands in the midst of massacres **Jewish Quarterly**, 2006 **Shattered Dreams**, 2008 These photographs are more than simply a journalistic record of conflict and turmoil They are the product of a very personal journey through the Israel Palestine conflict Passow's photographs reveal a sense of frustration and loss felt on both sides of the divide **A Treaty of Love** Samir El-Youssef, 2019-01-12 For the first time in six years Ibrahim enjoys a breakfast of tomatoes onions and pita bread while his girlfriend Ruth takes a parcel to the local post office As he waits for her return he reflects on the events of the previous few days and then of the past few years He is Palestinian she Israeli and they live in London a city they explore and grow to love They delight in living against the political tide and in confounding people's assumptions But as the situation in the Middle East deteriorates so it inevitably impinges on their life together and they struggle to maintain their relationship It is the family secret that Ibrahim finally reveals that threatens to engulf them forever

The North of God Steve Stern, 2025-10-21 Here in a place dedicated to the manufacture of fear a place that one ghoul of a Rebbe declared was located to the North of God where his jurisdiction no longer held sway Velvl found himself developing a certain resistance Through numerous books and stories Steve Stern has become known for his fantastical and often wildly comic stories based on Yiddish folklore Harold Bloom has called him a throwback to the Yiddish sublime But with this novella Stern matches his reverential understanding of that ancient story telling's power against something he's never written about before the Holocaust The result is a mesmerizing tour de force In a boxcar crammed with Jews headed to a concentration camp one man attempts to summon up a story vital enough to displace the horror The story that comes out is ultimately a swirling sweeping saga about the stirring obstinacy of the human spirit And by confronting the ultimate horror with the mythology he has long celebrated it may also be the crowning achievement of Stern's career The Contemporary Art of the Novella series is designed to highlight work by major authors from around the world In most instances as with Imre Kertész it

showcases work never before published in others books are reprised that should never have gone out of print It is intended that the series feature many well known authors and some exciting new discoveries And as with the original series *The Art of the Novella* each book is a beautifully packaged and inexpensive volume meant to celebrate the form and its practitioners

The Pathseeker Imre Kertész, 2013-07-09 There s no such thing as chance only injustice From the winner of the Nobel Prize for Literature for writing that upholds the fragile experience of the individual against the barbaric arbitrariness of history The acclaimed Hungarian Holocaust survivor Imre Kert sz continues his investigation of the malignant methodologies of totalitarianism in a major work of fiction In a mysterious middle European country a man identified only as the commissioner undertakes what seems to be a banal trip to a nondescript town with his wife a brief detour on the way to a holiday at the seaside that turns into something ominous Something terrible has happened in the town something that no one wants to discuss With his wife watching on fearfully he commences a perverse investigation rudely interrogating the locals inspecting a local landmark with a frightening intensity traveling to an outlying factory where he confronts the proprietors and slowly revealing a past he s been trying to suppress In a limpid translation by Tim Wilkinson this haunting tale lays bare an emotional and psychological landscape ravaged by totalitarianism in one of Kertsz s most devastating examinations of the responsibilities of and for the Holocaust

Seeking Asylum in Israel Gilad Ben-Nun, 2016-12-18 Since 2005 approximately 70 000 asylum seeking refugees from Sudan and Eritrea have entered Israel This along with the highly publicised anti African immigrant riots in Israel in 2012 and 2014 and the current global refugee crisis has meant that the issue of African migration has become increasingly controversial Here Gilad Ben Nun looks at this phenomenon in its historical and contemporary contexts and compares it to the wider debates surrounding the Palestinian refugees in the region and the concept of their right of return He argues that this newer African migration issue has forced Israel to move from conceiving of itself as an exceptional state and now has to view itself as a more normal and universal entity Ranging as far back as Israel s important role in the the ratification drafting of the 1951 Refugee Convention and drawing on a variety of methodologies and sources Ben Nun offers a wide ranging legal social and historical examination of asylum in Israel that sheds timely light onto themes of migration and identity across the Middle East This is essential reading for legal historians and lawyers as well as scholars working on migration studies and the history and politics of the Middle East

Teaching the Arab-Israeli Conflict Rachel S. Harris, 2019-04-22 Whether planning a new course or searching for new teaching ideas this collection is an indispensable compendium for anyone teaching the Arab Israeli conflict The Jewish Quarterly , 2005 *The Lemoine Affair* Marcel Proust, 2012-11-06 Their friend Marcel Proust had killed himself after the fall in diamond shares a collapse that annihilated a part of his fortune This is the first ever translation into English of this startling tour de force by one of the twentieth century s greatest writers The Lemoine Affair was inspired by the real life French scandal involving Henri Lemoine who claimed he could manufacture diamonds from coal and convinced numerous people including officers of the De Beers

diamond mine company and Proust himself to invest in the scheme In a series of pastiches imitations written in the style of other writers Proust tells the story of the embarrassment rippling across high society Paris in the wake of the scandal poking fun at himself in one story a character declares that Marcel Proust is so embarrassed he s suicidal while lampooning some of France s greatest writers including Flaubert Balzac and Saint Simon Full of sophisticated wit and dazzling wordplay and rife with allusions to his friend and fictional characters many Proust scholars see the dead on mimicry of The Lemoine Affair written soon after Proust s rejection of society life as the work by which he honed his own unique masterly voice The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

My Life Anton Chekhov,2012-11-06 perhaps I was not living as I ought Renowned as the greatest short story writer ever Anton Chekhov was also a master of the novella and perhaps his most overlooked is this gem My Life the tale of a rebellious young man so disgusted with bourgeois society that he drops out to live amongst the working classes only to find himself confronted by the morally and mentally deadening effects of provincialism The 1896 tale is partly a commentary on Tolstoyan philosophy and partly an autobiographical reflection on Chekhov s own small town background But it is more importantly Chekhov in his prime displaying all his famous strengths vivid characters restrained but telling details and brilliant psychological observation and one of his most stirring themes the youthful struggle to maintain idealism against growing isolation The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

Adolphe Benjamin Constant,2012-11-06 We are such volatile creatures that we finally feel the sentiments we feign First published in 1816 Adolphe is the story of a young man with all the privileges and advantages of a noble birth bt who s still haunted by the meaninglessness of life He seeks distraction in the pursuit of the beautiful but older and married Ellenore a fictionalized version of Madame de Stael The young Adolphe inexperienced in love falls for her unexpectedly and falters under the burden of the illicit love The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature s greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

Parnassus on Wheels Christopher Morley,2012-11-06 I imagined him in his beloved Brooklyn strolling in Prospect Park and preaching to chance comers about his gospel of good books When you sell a man a book says Roger Mifflin the sprite like book peddler at the center of this classic novella you don t sell him just twelve ounces of paper

and ink and glue you sell him a whole new life In this beguiling but little known prequel to Christopher Morley's beloved Haunted Bookshop the whole new life that the traveling bookman delivers to Helen McGill the narrator of Parnassus on Wheels provides the romantic comedy that drives this charming love letter to a life in books The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The Dialogue of the Dogs Miguel de Cervantes, 2012-11-06 Ever since I could chase a bone I've longed to talk The first talking dog story in Western literature from the writer generally acknowledged alongside William Shakespeare as the founding father of modern literature no less Indeed The Dialogue of the Dogs features in a condensed powerful version all the traits the author of Don Quixote is famous for It's a picaresque rich in bawdy humor social satire and fantasy and it uses story tactics that were innovative at the time such as the philandering husband who given syphilis by his wife is hospitalized Late one feverish night he overhears the hospital's guard dogs telling each other their life's story a wickedly ironic tale within the tale within the tale wherein the two virtuous canines find themselves victim time and again to deceitful corrupt humanity Here in a sparkling new translation the parody of a Greek dialogue is so entertaining it belies the stunningly prescient sophistication of this novella that it is a story about telling stories and about creating a new way to discuss morality that isn't rooted in empiricism In short it's a masterful work that flies in the face of the forms and ethics of its time and perhaps ours as well The Art of The Novella Series Too short to be a novel too long to be a short story the novella is generally unrecognized by academics and publishers Nonetheless it is a form beloved and practiced by literature's greatest writers In the Art Of The Novella series Melville House celebrates this renegade art form and its practitioners with titles that are in many instances presented in book form for the first time

The Union Jack Imre Kertész, 2013-07-09 It was unnecessary for me to fret about who the murderer was Everybody was A haunting never before translated autobiographical novella by the 2002 Nobel Prize winner An unnamed narrator recounts a simple anecdote his sighting of the Union Jack the British Flag during the Hungarian Revolution of 1956 in the few days preceding the uprising's brutal repression by the Soviet army In the telling partly a digressive meditation on the absurd order of chance he recalls his youthful self and the epiphanies of his intellectual and spiritual awakening an awakening to a kind of radical subjectivity In his Nobel address Kertész remembered I on a lovely spring day in 1955 suddenly came to the realization that there exists only one reality and that is me my own life this fragile gift bestowed for an uncertain time which had been seized expropriated by alien forces and circumscribed marked up branded and which I had to take back from History this dreadful Moloch because it was mine and mine alone The Contemporary Art of the Novella series is designed to highlight work by major authors from around the world In most instances as with Imre Kertész it showcases work never before published in others books are reprised that should

never have gone out of print It is intended that the series feature many well known authors and some exciting new discoveries And as with the original series The Art of the Novella each book is a beautifully packaged and inexpensive volume meant to celebrate the form and its practitioners New Statesman ,2007
