The Fourth Stall Part II Chris Rylander, 2012-02-07 The life of crime is good Mac has taken down legendary high school crime boss Staples business has been booming and Mac and Vince are getting ready for middle school baseball tryouts But this can't last Mac has always tried to keep his friends close and his enemies closer But what happens when you can't tell the difference This dilemma walks into the fourth stall in the form of Trixie Von Parkway an eighth grader with a mean look and an even meaner predicament The new science teacher is terrorizing her and she needs Mac to get him off her back Seems simple enough but as Mac starts to dig deeper he finds even more trouble brewing at his school including a new administrator bent on destroying his business and indications that Trixie isn't who she claims to be In the past the worst thing that could have happened to Mac was that he might lose a little money maybe catch a beating In **The Fourth Stall Part II** though there's going to be much more on the line than that

The Fourth Stall Chris Rylander, 2011-02-08 The humor of Diary of a Wimpy Kid meets a Godfather like tale of crime and betrayal in this first book in Chris Rylander's The Fourth Stall Saga Do you need something Mac can get it for you He and his best friend and business manager Vince Their methods might sometimes run afoul of the law or at least the school code of conduct but if you have a problem if no one else can help and if you can pay him Mac is on your side His office is located in the East Wing boy's bathroom fourth stall from the high window And business is booming Or at least it was until this particular Monday Because this Monday is when Mac and Vince find out that the trouble with solving everyone else's problems is there's no one left to solve yours The school setting fast paced cinematic and funny story and engaging voice make The Fourth Stall a perfect classroom read Supports the Common Core State Standards

The Fourth Stall Part III Chris Rylander, 2013-02-05 The story of Mac Vince and middle school organized crime comes to its thrilling conclusion in the third book of Chris Rylander's Fourth Stall saga a series that combines a Godfather like tale of crime and betrayal with hilarious school comedy la Jack Gantos Their business is finished and Mac's and Vince's lives have become something they have never been before simple None of the fortune or the glory none of the risk or the threat of juvenile prison There's even a new business that has stepped in to take its place and take the heat off Mac and Vince for once Things couldn't be better But that was before things at their middle school started to go haywire Before they found out that there's a new crime boss at a school another town over trying to consolidate power And before their old nemesis Staples came back to town begging for help after his stint in the clink Just when Mac and Vince thought they were out the business pulls them back in But this time will they be able to escape with their lives and their permanent records intact
