The Last Good Kiss Cw Sughrue 1 By James Crumley:

The Last Good Kiss James Crumley, 2016-04-21 As sweetly profane a poet as American noir could have asked for Ian Rankin A friggin masterpiece Dennis Lehane The stunner that reinvigorated the genre and jacked up a generation of future crime novelists George Pelecanos Meet Private Detective C W Sughrue Private detectives are supposed to find missing persons and solve crimes But more often than not Sughrue is the one committing the crimes u everything from grand theft auto to criminal stupidity All washed down with a hearty dose of whiskey and regret At the end of a three week hunt for a runaway bestselling author Sughrue winds up in a ramshackle bar with an alcoholic bulldog The landlady s daughter vanished a decade ago and now she wants Sughrue to find her His search will take him to the deepest darkest depths of San Francisco s underbelly a place as fascinating frightening and flawed as he is Welcome to James Crumley s America

Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences Noir Fiction and Film Lee Clark Mitchell, 2021 The argument of *Noir Fiction and Film* is curiously counterintuitive that in a century of hard boiled fiction and detective films characteristics that at first seemed trivial swelled in importance flourishing into crucial aspects of the genre Among these are aimless descriptions of people and places irrelevant to plot along with detectives consisting of little more than sparkling dialogue and flippant attitudes What weaves together such features however seems to be a paradox that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention even withholding information we think we need to generate the suspense we also desire Yet successful noir stories and films enhance that suspense through passing diversions descriptive details and eccentric perspectives rather than depending on the center pieces of plot alone suspected motives or incriminating traces As the greatest practitioners of the genre have realized the how of detective fiction its stylistic detours draws us in more insistently than the what or the who its linear advance And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention shorn of any pretense of reading for the plot immersing us in the diversionary delight that has animated the genre from the beginning **Talking Book Topics** , 2010-07 **Walt Whitman** Joel Myerson, George Parker Anderson, Julie B.
