to put together an outfit in the colours you like Children love these garments and I have done my best to make them as play friendly as possible In other words it is easy for the little ones and the older children to dress and then undress their dolls The most exceptional thing about these patterns is the fact that they are knitted on two needles NO knitting in the round at all I do not like knitting in the round be it on four needles or any other method These patterns are worked from the neck down I have used short rows to shape the garment where it is needed I am sure that you will enjoy knitting these garments and have fun doing so     **The Family Knitting Book** James Norbury,1969     **McCall's Treasury of Needlecraft** ,1955
