Tooth and Claw Jo Walton, 2013-02-21 A family of dragons gathers on the occasion of the death of their father the elder Bon Agornin As is custom they must eat the body But even as Bon's last remains are polished off his sons and daughters must all jostle for a position in the new hierarchy While the youngest son seeks greedy remuneration through the courts of law the eldest son a dragon of the cloth agonises over his father's deathbed confession While one daughter is caught between loyalty to her family by blood and her family by marriage another daughter follows her heart only to discover the great cost of true love Here is a Victorian story of political intrigue family ties and political intrigue set in a world of dragons a world quite literally red in tooth and claw Full of fiery wit this is a novel unlike any other *Tooth and Claw* Jo Walton, 2025-09-23 A tale of contention over love and money among dragons Jo Walton burst onto the fantasy scene with *The King's Peace* acclaimed by writers as diverse as Poul Anderson Robin Hobb and Ken MacLeod In 2002 she was voted the John W Campbell Award for Best New Writer Now Walton returns with *Tooth and Claw* a very different kind of fantasy story the tale of a family dealing with the death of their father of a son who goes to law for his inheritance a son who agonizes over his father's deathbed confession a daughter who falls in love a daughter who becomes involved in the abolition movement and a daughter sacrificing herself for her husband Except that everyone in the story is a dragon red in tooth and claw Here is a world of politics and train stations of churchmen and family retainers of courtship and country houses in which on the death of an elder family members gather to eat the body of the deceased In which society's high and mighty members avail themselves of the privilege of killing and eating the weaker children which they do with ceremony and relish growing stronger thereby You have never read a novel like *Tooth and Claw* At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *An Introduction to Fantasy* Matthew Sangster, 2023-09-07 A vibrant introduction to Fantasy that explores its uses processes traditions manifestations across media stakeholders and communities New Worlds, Year One Marie Brennan, 2018-04-10 Step into a world of your own making Worldbuilding is one of the great pleasures of writing science fiction and fantasy and also one of its greatest challenges Award winning fantasy author Marie Brennan draws on her academic training in anthropology to peel back the layers of a setting going past the surface details to explore questions many authors never think to answer She invites you to consider the endless variety of real world cultures from climate to counterfeiting from sumptuary laws to slang and the equally endless possibilities speculative fiction has to offer This volume collects essays from the first year of the New Worlds Patreon The Inter-Galactic Playground Farah Mendlesohn, 2009-07-15 Science fiction is often considered the genre of ideas and imagination which would seem to make it ideal for juveniles and young adults however the ideas are often dispensed by adults This book considers the development of science fiction for children and teens between 1950 and 2010 exploring why it differs from science fiction aimed at adults In a broader sense this critical examination of 400 texts sheds light on changing attitudes toward children and teenagers toward

science education and toward the authors expectations and sociological views of their audience Or What You Will Jo Walton,2025-10-16 Or What You Will is an utterly original novel about how stories are brought forth from Hugo Nebula and World Fantasy Award winning author Jo Walton He has been too many things to count He has been a dragon with a boy on his back He has been a scholar a warrior a lover and a thief He has been dream and dreamer He has been a god But he is in fact nothing more than a spark of idea a character in the mind of Sylvia Harrison 73 award winning author of thirty novels over forty years He has played a part in most of those novels and in the recesses of her mind Sylvia has conversed with him for years But Sylvia won't live forever any more than any human does And he's trapped inside her cave of bone her hollow of skull When she dies so will he Now Sylvia is starting a new novel a fantasy for adult readers set in Thalia the Florence resembling imaginary city that was the setting for a successful YA trilogy she published decades before Of course he's got a part in it But he also has a notion He thinks he knows how he and Sylvia can step off the wheel of mortality altogether All he has to do is convince her At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
