What Nathan Wants Ruth Ann Nordin, 2010-09-06 What could a man who already has everything possibly want How about a baby Someone to carry on his business when he dies Nathan Rudolph interviews all the single women in his company They think they might get a job promotion but he comes with a marriage license instead And the winner isn't happy But he's dealt with difficult people before and is certain that in no time at all Amy Watson will be very happy to be Mrs Nathan Rudolph So he goes about the business of seducing his spouse Warning the characters in this book may be construed as immature The hero is a control freak who is underhanded and sneaky Under the guise of a job promotion he makes her sign papers so he can do a proxy marriage and the too stupid to live heroine doesn't even seek legal advice But that's not the worst of it This heroine is no kick butt female Though she protests the marriage over and over again she can't stop herself from snuggling up to him in bed and enjoys his kisses She even goes so far as to fulfill one of his fantasies If this is not your idea of comedy you're better off avoiding this book
