in *Our Stars* and *The Hate U Give* overwhelm conversations among scholars and critics but these are far from the only texts in need of analysis. *Beyond the Blockbusters: Themes and Trends in Contemporary Young Adult Fiction* offers a necessary remedy to this limiting perspective, bringing together essays about the many subgenres, themes, and character types that have until now been overlooked. The collection tackles a diverse range of topics: modern updates to the marriage plot, fairy tale retellings in dystopian settings, stories of extrajudicial police killings and racial justice. The approaches are united though by a commitment to exploring the large-scale generic and theoretical structures at work in each set of texts. As a collection, *Beyond the Blockbusters* is an exciting entryway into a field that continues to grow and change even as its works captivate massive audiences. It will prove a crucial addition to the library of any scholar or instructor of young adult literature.

LGBTQ-Themed Fiction in the EFL Classroom. The Young Adult Novel "Will Grayson Will Grayson" by John Green Inga Schröder,2018-08-23 Seminar paper from the year 2018 in the subject English Language and Literature Studies Literature grade 1 7 University of Münster language English abstract The level of tolerance towards all types of Otherness has increased during the past years there is still discrimination against anything other than heterosexuality Especially in schools sexual and gender differences are seldom addressed and if they are presented as deviant sexual behaviour Teachers often lack professional competences and they even resist to address LGBTQ issues As a consequence homophobia and heterosexism are present in many classrooms which can affect both learning and teaching negatively The problem of heterosexism is also related to the foreign language classroom Both in coursebooks as well as in literature students are often confronted with heteronormative representations and characters Placing emphasis on this problem I will take the LGBTQ

themed young adult novel Will Grayson Will Grayson by David Levithan and John Green into consideration and aim to prove that this novel is a good way to challenge students' beliefs and perspectives about sexual and gender differences and to counter and normalize homophobia in the English as a Foreign Language (EFL) classroom. To achieve this goal, I have organized my term paper into three main sections, each having two subsections.
