But when a naked body is found by the lake at the top of the mountain, its seeming tranquillity is disturbed forever. Inspector Sejer, a tough no-nonsense policeman whose own life is tinged by sadness, is called in to investigate. As the suspense builds and the list of suspects grows, Sejer's determination to discover the truth leads him to peel away layer upon layer of distrust and lies in this tiny community where apparently normal family ties hide dark secrets. Inspector Sejer is on the trail of a violent killer in small town Norway in this gripping thriller from acclaimed crime writer Karin Fossum. Gunder Jomann, a quiet middle-aged man from a peaceful Norwegian community, thinks his life has been made complete when he returns from a trip to India, a married man. But on the day his Indian bride is due to join him, he is called to the hospital to his sister's bedside. The local taxi driver sent instead to meet the bride at the airport returns without her. Then the town is shocked by the news of an Indian woman found bludgeoned to death in a nearby meadow. Inspector Sejer and his colleague Skarre head the murder inquiry, cross-examining the townsfolk and planting seeds of suspicion in a community which has always believed itself to be simple, safe, and trusting. For what can only have been an unpremeditated and motiveless act of violence, everyone is guilty until proven innocent.

A woman wakes one night to find that a strange man has walked into her bedroom. She lies there in terrified silence, unable to move. The woman is an author and the man one of her prospective characters. So desperate is he to have his story told that he has resorted to breaking into her house to make her tell it. She creates Alvar Eide, forty-two years old, single, who works in an art gallery. He lives a quiet, dutiful life, carefully designed to avoid surprises. One winter's day all this begins to change when an emaciated young heroin addict walks into the gallery. A kind man, Alvar gives her a cup of coffee to warm her up. She returns some weeks later to his place of work and then one day appears on his doorstep demanding to be let in. Interspersed with the chapters of Alvar's story are his encounters with its author, the frantic attempts of a fictional man trying to control his own destiny. [Broken](#) is a gripping novel about the boundary between fact and fiction and the perils of good intentions.
