high culture and popular entertainment They breathe new life into classic and contemporary literature making these works accessible to broader audiences while inviting viewers to engage with the original texts However the adaptation process is fraught with complexities Filmmakers must strike a balance between fidelity to the source material and the demands of a visual medium often reinterpreting narratives to resonate with contemporary audiences This anthology examines these challenges through detailed case studies highlighting how filmmakers navigate the delicate interplay between honouring the original work and crafting a compelling cinematic narrative A central theme explored in this collection is the concept of fidelity how closely an adaptation should adhere to its literary source While some scholars and audiences advocate for strict faithfulness others argue that adaptations should be judged as independent creative works valued for their ability to resonate with modern audiences The papers in this anthology offer nuanced perspectives on this debate analyzing specific adaptations to illustrate how filmmakers address this tension For instances Dr Swagat Patel s paper Comics to Cinema The Adaptation of Marvel Heroes and Villains explores the transformation of Marvel comic book characters into the blockbuster films of the Marvel Cinematic Universe MCU Patel highlights the challenges of condensing decades of complex narrative arcs and making characters like Iron Man and Captain America relatable to a global audience while maintaining the essence of the comics The MCU s success as Patel notes lies in its ability to balance fidelity with creative reinterpretation contributing to its status as a global cultural phenomenon

Adaptation of literary texts be it Indian or foreign into Indian cinema or Indian literary texts into foreign cinema is not new for film makers rather one can say that such adaptation is as long as film making itself Last few decades have witnessed a spectacular rise of many such adaptations produced out of literary texts From past to present literary texts of many popular writers from national to global level have been adapted into Indian cinema and also Indian literary texts into foreign cinema However adapting a literary work into a two or three hours cinema mostly in case of a novel is not always an easy task to a film maker as sometimes accommodation does not come to fit in the stipulated time frame which eventually results in messing up the whole essence of the original art Regardless of partial or whole a cinema based on literary text has always been a great appeal to an erudite person The present anthology is an endeavour of some select Indian cinema based on literary texts irrespective of Indian and foreign and also some foreign cinema based on wholly Indian literary texts Be it Indian cinema based on popular world literature or foreign cinema based on wholly Indian texts the book is a deft study of the cinematic adaptation of literary texts from an Indian perspective
