Travels with Charley John Steinbeck, 2001-03 In 1960 when he was almost 60 years old John Steinbeck set out to rediscover the United States feeling he might have lost touch with its sights sounds and the essence of its people This book describes his travels in a pick up truck across nearly 40 states with his dog Charley a French poodle Travels with Charley in Search of America by John Steinbeck John Steinbeck, 1962 Travels with Charley In Search of America is a 1962 travelogue written by American author John Steinbeck It depicts a 1960 road trip around the United States made by Steinbeck in the company of his standard poodle Charley Steinbeck wrote that he was moved by a desire to see his country on a personal level because he made his living writing about it He wrote of having many questions going into his journey the main one being What are Americans like today However he found that he had concerns about much of the new America he witnessed Steinbeck tells of traveling throughout the United States in a specially made camper he named Rocinante after Don Quixote's horse His travels start in Long Island New York and roughly follow the outer border of the United States from Maine to the Pacific Northwest down into his native Salinas Valley in California across to Texas through the Deep South and then back to New York Such a trip encompassed nearly 10 000 miles According to Thom Steinbeck the author's oldest son the reason for the trip was that Steinbeck knew he was dying and wanted to see his country one last time The younger Steinbeck has said he was surprised that his stepmother allowed his father to make the trip his heart condition meant he could have died at any time Part One Steinbeck opened the book by describing his lifelong wanderlust and his preparations to rediscover the country he felt he had lost touch with after living in New York City and traveling in Europe for 20 years He was 58 years old in 1960 and nearing the end of his career but he felt that when he was writing about America and its people he was writing of something he did not know about and it seemed to him that in a so called writer this is criminal p 6 He bought a new GMC pickup truck which he named Rocinante and had it fitted with a custom camper shell for his journey At the last minute he decided to take his wife's 10 year old French Poodle Charley with whom he has many mental conversations as a device for exploring his thoughts He planned on leaving after Labor Day from his summer home in Sag Harbor on the eastern end of Long Island but his trip was delayed about two weeks due to Hurricane Donna which made a direct hit on Long Island Steinbeck's exploits in saving his boat during the middle of the hurricane which he details foreshadow his fearless or even reckless state of mind and his courage in undertaking a long arduous and ambitious cross country road trip by himself Part Two Steinbeck began his trip by traveling by ferry from Long Island to Connecticut passing the U S Navy submarine base at New London where many of the new nuclear submarines were stationed He talked to a sailor stationed on a sub who enjoyed being on them because they offer all kinds of future Steinbeck credited uncertainty about the future to rapid technological and political changes He mentioned the wastefulness of American cities and society and lamented the large amount of waste that resulted from everything being packaged Later he had a conversation with a New England farmer The two concluded

that a combination of fear and uncertainty about the future limited their discussion of the coming election between Richard Nixon and John F Kennedy Steinbeck enjoyed learning about people by eating breakfast in roadside restaurants and listening to morning radio programs though he noted that If Teen Age Angel sic is top of the list in Maine it is the top of the list in Montana 35 showing the ubiquity of pop culture brought on by Top 40 radio and mass media technologies *Travels with Charley* John Steinbeck, 2009-07-01 Steinbeck s famous road trip with his dog Charley *John Steinbeck's Travels with Charley* Sam Peckinpah, Warner Bros, 1963

EXCERPT FROM THE BOOK Steinbeck won the Nobel Prize for Literature in 1962 two years after his driving tour across the continent and just months after the publication of *Travels with Charley* His winning propelled *Travels with Charley* to the number one spot on the New York Times Best Seller List In his acceptance speech he lauded man s proven capacity for greatness and challenged all writers to celebrate that greatness in their written work For Steinbeck that was literature s ultimate purpose and he compellingly articulated his opinion throughout his speech I hold that the writer who does not believe in the perfectibility of man has no dedication nor any membership in literature Born in Salinas California on 27

February 1902 John Steinbeck witnessed man's capacity for greatness in the fertile farmlands surrounding the agricultural hub town While working those fields himself notably in the company town of Spreckels which boasted the world's largest beet sugar processing plant he witnessed many of man's less noble attributes including corporate and individual greed the poor treatment of migrant workers and the degradation of the physical environment all themes he explored in his work Buy a copy to keep reading

Shillinglaw, 2024 The first scholarly assessment of Steinbeck's bestselling travelogue *Travels with Charley* published in 1962 a narrative that blurs the lines between nonfiction and fiction Steinbeck's *Uneasy America* is the first collection of critical scholarship devoted to *Travels with Charley in Search of America* John Steinbeck's best selling late career travel memoir In 1960 Steinbeck was a renowned man of American letters Many considered him America's troubadour of ordinary people the conscience of the country But weakened by two small strokes and anxious that he had lost touch with America he embarked on a cross country road trip accompanied by his wife's standard poodle Charley Two years later he published *Travels with Charley* to popular acclaim and robust sales Throughout this narrative Steinbeck insists that all of our perceptions are warped by personality history and society And while this hybrid and experimental book has long been accepted as an accurate account of his journey journalists and scholars agree that the narrative is part factual part fiction America as seen through Steinbeck's particular warp The work is long overdue for scholarly assessment Steinbeck's *Uneasy America* explores three main topics Part 1 explores genre and form to consider the degree to which the work is fiction or nonfiction Part 2 assesses Steinbeck's increasingly bleak assessment of America almost a jeremiad that warns citizens of ecological excess and political apathy Part 3 focuses on *Travels with Charley* as a road text travel adventure and literary influence This volume's

Steinbeck's Imaginarium Robert DeMott, 2022-11-15 In Steinbeck's Imaginarium Robert DeMott delves into the imaginative creative and sometimes neglected aspects of John Steinbeck's writing DeMott positions Steinbeck as a prophetic voice for today as much as he was for the Depression era 1930s as the essays explore the often unknown or unacknowledged elements of Steinbeck's artistic career that deserve closer attention He writes about the determining scientific influences such as quantum physics and ecology in Cannery Row and considers Steinbeck's addiction to writing through the lens of the extensive obsessive full length journals that he kept while writing three of his best known novels The Grapes of Wrath The Wayward Bus and East of Eden DeMott insists that these monumental works of fiction all comprise important statements on his creative process and his theory of fiction writing DeMott further blends his personal experience as a lifelong angler with a reading of several neglected fishing episodes in Steinbeck's work Collectively the chapters illuminate John Steinbeck as a
