stepmother in New York City fifteen year old Daisy goes to England to stay with her aunt and cousins with whom she instantly bonds but soon war breaks out and rips apart the family while devastating the land **The Crossover Novel** Rachel Falconer,2008-10-21 Highly recommended by Choice While crossover books such as Rowling s Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory **McTavish Takes the Biscuit** Meg Rosoff,2019 The Peachey family enjoy fine meals each night now that everyone takes turns cooking Everyone that is except grumbling Pa Peachey until some unsatisfactory bread pushes him to try baking Convinced that he has found his true calling Pa sets his sights on winning the town Bake Off Unfortunately his great ideas far surpass his skills and soon Pa s ambitions are crumbling under the weight of 3 784 pieces of gingerbread McTavish smells disaster in the making and it looks like he s going to have to save the day again **McTavish Goes Wild** Meg Rosoff,2020-05-05 When a camping trip unleashes a reluctant Peachey family on the great outdoors it s up to their savvy dog McTavish to show them how it s done It s summer and the Peachey family is in crisis again Where will they go for their vacation Betty Peachey thinks that camping is the answer and Ma Peachey knows just the place But Pa Peachey is convinced that terrible dangers lurk in the world of nature Ollie only wants to know if there are dance clubs and Ava would rather stay home and read German philosophy Will rescue dog McTavish figure out how to turn the Peachey s into happy campers and get them to brave the sparkling river and scenic mountainside before they pack up their tent and go home **The Year of The Rat** Clare Furniss,2014-04-24 I always thought you d know somehow if something terrible was going to happen I thought you d sense it like when the air goes damp and heavy before a storm and you know you d better hide yourself away somewhere safe until it all blows over But it turns out it s not like that at all There s no scary music playing in the background like in films No warning signs Not even a lonely magpie One for sorrow Mum used to say Quick look for another The world can tip at any moment a fact that fifteen year old Pearl is all too aware of when her mum dies after giving birth to her baby sister Told across the year following her mother s death Pearl s story is full of bittersweet humour and heartbreaking honesty about how you deal with grief that cuts you to the bone as she tries not only to come to terms with losing her mum but also the fact that her sister The Rat is a constant reminder of why her mum is no longer around From the author of How Not to Disappear comes a stunning novel about love and loss and how to carry on when your whole world is turned upside down Praise for The Year of the Rat Beautifully written with a dry sense of humour The Stylist I cried I laughed I cried some more a moving must read that ll stay with you long after the last page is turned Bliss The Year of the Rat is already a strong contender for best YA debut of 2014 I never wanted it to
