Melody Foreman,2022-11-04 Look closely behind the lives of the stars who appeared in a host of legendary war films and discover how memories of their real life experiences in the armed forces were haunted with heartbreak and yet filled with extraordinary heroism Just what did America's most decorated soldier Audie Murphy go through in battle which led him to star as himself in the classic war film To Hell and Back When the Japanese attacked Pearl Harbor in December 1941 Murphy joined the US Army aged just 17 He went on to fight at Anzio the Colmar Pocket and Nuremberg And for single handedly holding off an enemy attack he was awarded the Congressional Medal of Honor But Murphy's military and celebrity stardom did little to extinguish the pain of his private battle to fit in to a new post war world he perceived as disappointing shallow and unfulfilling Tormented by PTSD Murphy was a man unable to escape from his past Only the great director and decorated wartime documentary maker John Huston gained Murphy's true respect When war broke out on 3 September 1939 a number of British stars including Laurence Olivier his future wife Vivien Leigh and David Niven were in the United States under contract to the Hollywood Studios Keen not to shirk their duties at home and against advice from the British Consul they made their way back to Blighty Olivier joined the Royal Navy's Fleet Air Arm as a pilot Then with Churchill's approval he directed and starred in powerful propaganda films including Shakespeare's Henry V In 1943 the beautiful Vivien Leigh ruined her health by enduring the brutalities of the North African climate to entertain the troops in the desert Meantime Dirk Bogarde was a British Army intelligence officer seconded to the pioneering RAF Medmenham where he studied aerial photographs and pinpointed enemy targets for Bomber Command As Lieutenant van den Bogaerde he was posted to France just after D Day He went on to star in many leading war films such as Appointment in London 1953 and King and Country 1964 Years later in 1991 Sir Dirk Bogarde was interviewed by the author of this book He had witnessed the horrors of Belsen in April 1945 and said it changed his attitude to life forever In this book the author honors the real life stories of some big screen idols who showed true grit behind the glamor Social Deviance Tim Delaney,2017-06-16 The topic of social

deviance is inherently intriguing People in general and college students in particular find the topic of deviant behavior fascinating This can be explained at least in part by a combination of the subject matter itself our own past deviant behaviors and our willingness and desire to evaluate and comment on the behaviors of others While the topic of deviant behavior seems straightforward at the surface the study of social deviance reveals how complicated it really is Although Social Deviance utilizes a textbook style approach in its coverage of deviant behavior this comprehensive straightforward and student friendly book maintains student interest because of the author's use of real life phenomena and current examples Each chapter includes chapter objectives an introductory story a glossary of key terms discussion questions and boxed material The boxed materials include A Closer Look box that zooms in on topics that warrant deeper explanation and a Connecting Social

Deviance and Popular Culture box that shows how contemporary forms of popular culture illustrate deviant behavior The Other Side of Silence Bill Pronzini, 2015-05-19 The sunbaked expanse of Death Valley is a great place to visit but a bad place to die in this breathtaking thriller from acclaimed master of suspense fiction Bill Pronzini Rick Fallon has reached the breaking point His wife left after their son's tragic death and Rick finds himself without purpose He seeks out the peace and tranquility of the desert setting up camp in Death Valley On his fourth day there Rick comes across an abandoned car Inside is a woman on the brink of death beaten and blistered by the sun Her name is Casey and her young son has been kidnapped by her ex husband After fruitlessly searching for him for months Casey has decided to end it all But Rick is determined to make her mission his own even if it means risking his life He's been given a chance to atone for one of his greatest regrets no amount of danger can stop him now **The Many Faces of Josephine Baker** Peggy Caravantes, 2015-02-01 A complete biographical look at the complex life of a world famous entertainer With determination and audacity Josephine Baker turned her comic and musical abilities into becoming a worldwide icon of the Jazz Age The Many Faces of Josephine Baker Dancer Singer Activist Spy provides the first in depth portrait of this remarkable woman for young adults Author Peggy Caravantes follows Baker's life from her childhood in the depths of poverty to her comedic rise in vaudeville and fame in Europe This lively biography covers her outspoken participation in the U S Civil Rights Movement espionage work for the French Resistance during World War II and adoption of 12 children her rainbow tribe Also included are informative sidebars on relevant topics such as the 1917 East St Louis riot Pullman railway porters the Charleston and more The lush photographs appendix updating readers on the lives of the rainbow tribe source notes and bibliography make this a must have resource for any student Baker fan or history buff Billboard , 1967-12-02 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
