2015 Madhyamik History Suggestion:

Quality Interventions of RMSA in Guidance and Counselling Dr. Noora Abdul Kader, 2021-10-04 Guidance and counselling interventions are necessary in the present scenario for better adjustment in life. This book is identifying the need to provide effective guidance and counselling to secondary school students with substantial evidences. An overview of guidance and counselling techniques given in the book is informative and thought provoking. Rashtritya Madhyamik Shiksha Abhiyan RMSA is recommending enough strategies to provide guidance and counselling to secondary school students. This book is making an attempt to analyze the reach of implementation of guidance and counselling services to secondary school students as per the guidelines of RMSA. A detailed description of RMSA guidelines and recommendations is given in the book. School is a miniature society where the students interact and build up their character and personality. This technetronic world is putting our younger generation in dilemmic situations of academic and personal life. They need a helping hand to get through all these situations to lead a better self sufficient life. The book is analyzing the role of head of the institutions and teachers in providing guidance and counselling to students. The data collected for the book is confined to Districts of Uttar Pradesh. Critical analysis of the guidance and counselling programmes given to the students is done by the author. It is the need of the hour to provide sensitization programmes for teachers and head of the institutions to get a hands on experience in providing guidance and counselling to the students. The results revealed in the book after analysis give a clear picture of the present status of guidance and counselling programmes.

International Issues in SEND and Inclusion Alan Hodkinson, Zeta Williams-Brown, 2022-09-27 International Issues in SEND and Inclusion brings together a collection of cutting edge researches on approaches to special education needs and disability education across 6 continents and within 12 countries. Written by authors who are experts in their own countries in relation to special educational needs and disability the book provides a unique knowledge and understanding of different international perspectives in special educational needs disability and inclusion. The chapters present extended case studies and reflect on current policy practice and theory within that context challenging assumptions which can dominate the policy and practice of inclusive education. Each of the six continents has a separate section and introduction within the book to offer a relevant approach and context for analysis. The book will be of great interest to academics researchers and postgraduate students in the fields of inclusion special educational needs and disability teacher education and comparative education.
