Stepbrother Obsessed S.E. Law, I had my stepbrother's baby in secret Kristie My mom married Nick Bradley's dad years ago and it was a happy union Our families merged and I went from being an only child to having a handsome older brother Of course Nick never paid attention to me Why would he I was nothing but an annoying little girl who trailed after him with puppy dog eyes Still something changed along the way I lost the glasses took off the braces and most of all developed curves Even better the night I turned eighteen who showed up at my birthday party but my handsome older brother Nick was gorgeous with broad shoulders piercing blue

eyes and a smirk on that mobile mouth that made me want to slap him and kiss him at once But the unexpected happened because I left the party pregnant with his child Nick I've wanted the Kristie since she was nothing but jailbait It's fucked up and wrong because we're technically family So I did everything in my power to get her out of my blood I moved away I slept with other chicks and even got into a serious relationship with another woman But Kristie's deep under my skin and after all these years I'm still obsessed What she doesn't realize is that obsession burns bright and now that she's had my child I'm claiming her and the baby as MINE Call 9 1 1 This is a tale of forbidden romance between two people who absolutely positively shouldn't Their liaison is taboo and Nick and Kristie spend every ounce of their energy trying to fight the attraction to no avail of course Steam Spice Scorching heat that burns up the sheets Yes and with a secret baby in the mix too This story is a follow up to The Brat and the Bodyguard but my stories are standalones and can be read in any order HEA guaranteed
