M. Sparrow, 2018-09-19 Why are Americans of African descent as a group not flourishing like other racial groups in America Dr J M Sparrow in *Rebels with Insufficient Cause* proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God's designs for humanity will experience chaos but every person and social group that submits to God's designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units

The Fate of the Apostles Sean McDowell, 2016-03-09 *The Book of Martyrs* by John Foxe written in the 16th century has long been the go to source for studying the lives and martyrdom of the apostles Whilst other scholars have written individual treatments on the more prominent apostles such as Peter Paul John and James there is little published information on the other apostles In *The Fate of the Apostles* Sean McDowell offers a comprehensive reasoned historical analysis of the fate of the twelve disciples of Jesus along with the apostles Paul and James McDowell assesses the evidence for each apostle's martyrdom as well as determining its significance to the reliability of their testimony The question of the fate of the apostles also gets to the heart of the reliability of the kerygma did the apostles really believe Jesus appeared to them after his death or

did they fabricate the entire story How reliable are the resurrection accounts The willingness of the apostles to die for their faith is a popular argument in resurrection studies and McDowell offers insightful scholarly analysis of this argument to break new ground within the spheres of New Testament studies Church History and apologetics *The Commentaries, Or Reports of Edmund Plowden* Great Britain. Courts, Edmund Plowden, 1816 [Validating Committed Partnerships: a Still More Excellent Way](#) Jim Bowden, 2012-12-21 Although written from a biblical Christian perspective this book's theme has practical value for everyone It presents a new relational paradigm supported by love justice mutuality and other spiritual qualities The author believes scripture teaches that all human beings are created to live in fulfilling relationships even those who are homosexual People of faith family however nearly 50% of American citizens and church members do not support legalizing same gender marriage This historical perspective on marriage reveals marriage has experienced considerable positive change and practice during the past 75 years and needs to be redefined Until the 20th century procreation be fruitful and multiply was marriage's major purpose While procreation remains important mutuality has become the major emphasis As written in Genesis 2:18 NRSV God sought a partner for the man In many marriages partnership has replaced patriarchy providing an enriching relational experience in family life The author presents a new relational paradigm which includes both heterosexual and homosexual couples seeking a lifelong committed relationship Marriage of male and female and the union of same gender couples will share the title partnership safeguarded by the same legal standards For male and female their title will be a marital partnership for same gender couples their title will be a same gender partnership

Bible Scott Stine appropriates Calvin's famous spectacles metaphor to propose a hermeneutical method that orients the Scripture reader both upward theologically and forward redemptive historically. The outcome is a unique approach called typological realism, emphasizing that God reveals his good purposes along a typological trajectory, inviting believers to participate in the journey. This book does not seek to offer anything new to Christian interpretation of Scripture but to join together features from oft-used approaches that not only fit together thematically but also remedy reductive tendencies. The goal is to help those listening to Scripture as God's shepherding voice to hear the fullness of his revelation, the purposeful process that culminates in the Beatific Vision.
