Adams Heaven The Dilemma Series:

The Church, in a Series of Discourses Sylvester Judd, 1854 *Heaven's Ditch* Jack Kelly, 2025-06-25 A page turning narrative *Heaven's Ditch* offers an excitingly fresh look at a heady foundational moment in American history The technological marvel of its age the Erie Canal grew out of a sudden fit of inspiration Proponents didn't just dream they built a 360 mile waterway entirely by hand and largely through wilderness As excitement crackled down its length the canal became the scene of the most striking outburst of imagination in American history Zealots invented new religions and new modes of living The Erie Canal made New York the financial capital of America and brought the modern world crashing into the frontier Men and women saw God face to face gained and lost fortunes and reveled in a period of intense spiritual creativity *Heaven's Ditch* by Jack Kelly illuminates the spiritual and political upheavals along this psychic highway from its opening in 1825 through 1844 Wage slave Sam Patch became America's first celebrity daredevil William Miller envisioned the apocalypse Farm boy Joseph Smith gave birth to Mormonism a new and distinctly American religion Along the way the reader encounters America's very first crime of the century a treasure hunt searing acts of violence a visionary cross dresser and a panoply of fanatics mystics and hoaxers Wide Angle , 1988 A quarterly journal of film history theory criticism and practice Soul-Making by Grace Matthew S. Hendzel SJ, 2024-04-30 Purgatory holds a precarious position in the afterlife beliefs of most Christians Often viewed as a doctrine that is held only by Roman Catholics purgatory has historically been maligned by its detractors as unbiblical theologically problematic and a product and source of superstition Moreover it would appear that belief in purgatory has declined in the faith lives of Catholics as well many of whom now seem keen to forget the fears and anxieties that its existence might have raised for them about the afterlife In response to such criticisms and concerns this book argues that purgatory can indeed be a constructive and hope filled component of any Christian understanding of the afterlife In examining the history of the doctrine it seeks answers that explain purgatory's recent descent into obscurity However it also pursues present insights that can shed new light onto how purgatory might find renewed relevancy **The Dilemmas of Brief Psychotherapy** James Paul Gustafson, 1995 The author examines how patients keep themselves distressed in brief psychotherapy and asserts that an adequate map for a given patient must determine what is overlooked in the outer world selective inattention and inner world dissociation whether the character of a patient in his or her usual plot is simple or complex and whether that character is benign or malignant The Greatest Works of Robert Collier Robert Collier, 2023-11-19 In *The Greatest Works of Robert Collier* readers are invited to explore the profound insights of a pioneering figure in the self help and personal development genre Collier's writing is marked by a unique blend of motivational narrative and practical wisdom offering readers not only inspiration but also tangible strategies for achieving their goals This compendium features his seminal texts that delve into the psychology of success the power of positive thinking and the importance of setting clear actionable goals situating his work in the broader literary context of

early 20th century self help movements that sought to empower individuals through conscious thought and purposeful action Collier s background as a successful publisher and writer laid the groundwork for his advocacy in personal development His own experiences with adversity and his tireless quest for self improvement inspired him to pen works that emphasize the potential within every individual Collier s passion for understanding human motivation can be traced through his correspondence with contemporaries and his keen interest in the emerging fields of psychology and metaphysics during his time This anthology is recommended for anyone seeking to unlock their potential and navigate the complexities of personal growth Collier s timeless messages resonate with readers looking for guidance in today s fast paced world making The Greatest Works of Robert Collier an essential addition to both self help libraries and the broader quest for self actualization

Thrice-Greatest Hermes G. R. S. Mead,1906 This is the edition including all three books The so called Hermetic writings have been known to Christian writers for many centuries The early church Fathers Justin Martyr Tertullian Clement of Alexandria quote them in defense of Christianity Stobaeus collected fragments of them The Humanists knew and valued them They were studied in the sixteenth and seventeenth centuries and in modern times have again been diligently examined by many scholars G R S Mead has issued a translation of the whole body of extant literature with extended prolegomena commentary etc There is a wide difference of opinion as to the date at which this literature was produced Mead believes that some of the extant portions of it are at least as early as the earliest Christian writings while von Christ assigns them to the third Christian century and thinks that they show the influence of neo Platonism To affirm that they influenced New Testament usage would be hazardous but they perhaps throw some light on the direction in which thought was moving in New Testament times

The Triumph of God over Evil William Hasker,2008-03-24 Noted philosopher William Hasker explores a full range of questions concerning the problem of evil Hasker forges constructive answers in some depth showing why the evil in the world does not provide evidence of a moral fault in God the world s creator and governor **Evangelical Magazine and Gospel Advocate** ,1841 **The academy** ,1876 **Bulletin of the Shaw Society of America** ,1976

private war He never asked Congress for a Declaration of War nor asked the Nation to be directly involved as it was during World War II Our military s hands tied by politics The Nation is in chaos with almost everyone demanding their rights their freedom to do whatever they wish Terrorists have attacked again in four cities more than 30 000 killed Vicious gangs and drug pushers demand their rights our police are handcuffed Purveyors of filth shout freedom of speech pornography is called art Christians and Jews are muzzled Our founding fathers knew that everything has limits and boundaries The Judeo Christian ethic provided the moral foundation to go with our rights and freedoms and moral boundaries were set But now these moral boundaries are absent and freedoms are turning to license edging closer and closer to anarchy Our people do not feel safe sending their children to school leaving their homes Fear is everywhere faith in government is near zero The People pray for a man a superman a bold knight to rescue them and the nation MICHAEL JEREMIAH and the Supreme Council OFFER HOPE During times of crisis 1 *The "Man Christ Jesus"* Stephen Oliver Stout,2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul s intriguing description of the Man Christ Jesus 1 Tim 2 5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul s Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul s gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus **Publishers' Weekly** ,1896
