Arguing Peace Collected Pacifist Writings Volume Three Biblical And Theological Essays:

Arguing Peace Ted Grimsrud, 2014-04-14 This collection of essays makes the case that the Bible provides a strong basis for Christian pacifism The seventeen essays here written with academic rigor yet in an accessible style span over thirty years of reflection and argumentation supporting a strong affirmation that nonviolence is at the heart of the biblical witness and should be at the heart of Christian theology

The Gospel of Peace in a Violent World Shawn Graves, Marlena Graves, 2022-08-16 The gospel of Jesus Christ is the good news of peace Gathering contributions from theologians pastors and practitioners Shawn Graves and Marlena Graves cast a vision of Christian nonviolence in today's world not only responding to the realities of war but also offering a deeper understanding of peace a holistic shalom

Faith and Freedom David Neville, Philip Matthews, 2003 Australian Christians like Christians in many societies live in a pluralistic culture This makes the issues of faith freedom and their interrelationship all the more critical In a pluralist context Christian faith and freedom must be expressed and embodied in a coherent rather than discordant way The authors of these reflections on key ethical concerns represent the Anabaptist Anglican Baptist Lutheran Methodist Presbyterian Roman Catholic and Uniting Church traditions yet there is a harmony within this plurality of theological and ecclesiological voices Contributors include John Howard Yoder Charles Birch Stanley Hauerwas and Thorwald Lorenzen

The Catholic Worker, 1991
World Encyclopedia of Peace Javier Pérez de Cuéllar, 1999
The Mennonite Quarterly Review, 2010
Choice, 1996
The Book Review Digest, 2003

The Trinitarian Self Charles K Bellinger, 2010-08-27 The Trinitarian Self argues that the insights of three key authors Søren Kierkegaard Eric Voegelin and René Girard can be synthesized to produce a Trinitarian theological anthropology Their reflections on the deep roots of human behavior illuminate three structural dimensions of human existence the temporal trajectory of selfhood the vertical axis God and nature and the horizontal plane of cultural formation An understanding of these dimensions and how they interrelate proves very fruitful in making sense of a wide variety of pathological forms of behavior that human beings have engaged in during the modern era This work links together in thought provoking ways various realms of thought such as Trinitarian theology a plea for a New Copernican Revolution that will result in a broadly held psychological understanding of violence the ethics of war and peace atonement theologies and critical commentaries on terrorism and the War on Terror The interplay between these topics will likely prove very stimulating to a wide variety of readers

The Christian Century, 1941
Orthodox Christian Perspectives on War Perry T. Hamalis, Valerie A. Karras, 2017-12-15 Many regions of the world whose histories include war and violent conflict have or once had strong ties to Orthodox Christianity Yet policy makers religious leaders and scholars often neglect Orthodoxy's resources when they reflect on the challenges of war Through essays written by prominent Orthodox scholars in the fields of biblical studies church history Byzantine studies theology patristics political science ethics and biology Orthodox Christian Perspectives on War presents and examines the Orthodox tradition's nuanced and unique

insights on the meaning and challenges of war with an eye toward their contemporary relevance This volume is structured in three parts Confronting the Present Day Reality Reengaging Orthodoxy s Tradition and Constructive Directions in Orthodox Theology and Ethics Each exemplifies the value of interdisciplinary reflection on war and the potential for the Eastern Orthodox tradition to enhance ecumenical and interfaith discussions surrounding war in both domestic and international contexts The contributors do not advance a single account of the meaning of war or a comprehensive and normative stance purporting to be the Orthodox Christian teaching on war Instead this collection presents the breadth and depth of Orthodox Christian thought in a way that engages Orthodox and non Orthodox readers alike In addition to offering fresh resources for all people of good will to understand prevent and respond faithfully to war this book will appeal to Christian theologians who specialize in ethics to libraries of academic institutions and to scholars of war peace studies international relations and Orthodox thought Contributors Peter C Bouteneff George Demacopoulos John Fotopoulos Brandon Gallaher Perry T Hamalis Valerie A Karras Alexandros K Kyrou Aristotle Papanikolaou Elizabeth H Prodromou Nicolae Roddy James C Skedros Andrew Walsh and Gayle E Woloschak **Indianapolis Monthly** ,2003-11 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape **Abraham Went Out** Jo Ann Robinson,1981 **Paperbound Books in Print** ,1969

Forthcoming Books Rose Arny,1998-04 The New York Times Review of Books ,1968 Library Journal ,1982-05
