This book contains the biography of Mayor Catalino Gabot Hermosilla Sr., a Filipino politician who was the mayor of Ormoc, Leyte, Philippines during World War II from 1941 to 1943 during the occupation of Ormoc by the Imperial Japanese military. His term of office was characterized by danger in the hands of the occupying military force where he demonstrated uncommon valor with the skillful and diplomatic handling of the affairs of the government under the yoke of the oppressors while cuddling with his Filipino brother-in-arms who were fighting the Japanese as guerilla warriors in the town and around the hills of Ormoc while at the same time played ball with the enemy in order to save lives and protect the population under the detriment of his own safety, a feat that he later called walking on a tight rope. It also contains numerous historical accounts and records of Ormoc that is a must-read to every fellow Ormocanon. Mario Yrastorza Hermosilla MBA-TM Author. The Rough Guide to USA. Providing an invaluable introductory resource for students investigating the war in Afghanistan, this book highlights the evolution of the conflict through the documents that helped to shape it. This carefully curated primary

source collection includes more than 80 documents from the national and international participants in nearly four decades of conflict that led to the Afghanistan War. Readers will gain an understanding of the macro and micro costs of the war on the participants and the political, social, economic, and military factors that have allowed the fighting to persist. Authored by a former member of the Afghanistan Study Team at the U.S. Army's Combat Studies Institute, readers will gain special insight into the military dynamics of the war in Afghanistan and how the war has changed those who have fought in it. The book is divided into four chapters that cover the primary phases of the war in Afghanistan: The Soviet Invasion and Civil War (1979–2001), Operation ENDURING FREEDOM and Reconstruction Begins (2001–2003), The Taliban Return (2003–2009), and The Surge, Drawdown, and an Uncertain Future (2009–2017).
