Are We There Yet Adopting And Raising 22 Kids:

Are We There Yet? Badeau,2013-08-21 You ll be inspired laugh and cry as you share the Badeaus experiences wisdom and life lessons adopting and raising 22 children Refresh Kimberly M. Drew,Jocelyn Green,2016-09-27 More than one fifth of US households with children have at least one child with special needs Raising a child with special needs is spiritually emotionally mentally and physically challenging Parents of these children have higher rates of depression anxiety and divorce They need encouragement to restore hope and a passion for God in their lives but the realities of having to be parent nurse therapist and caregiver make it difficult to find the time or initiative to seek encouragement Written by two moms who understand this complicated balancing act Refresh is designed to provide just what these parents need The 90 day devotional guides parents to spiritual truths that can be applied to the demands they face every day It offers perspective and hope through the varying stages and phases families experience from diagnosis to loss and grief Each day s devotional includes a reading from Scripture as well as stories and testimonies from parents who intimately know the struggle readers face Their children represent a wide range of special needs including autism cerebral palsy Down syndrome genetic disorders chronic illness and more Drew and Green show how the truths of God s Word are relevant regardless of the diagnosis Their devotional illuminates the unique lessons and perspectives to be gained as a result of raising a child with special needs Insightful and powerful Refresh will help weary parents grow spiritual roots and reach the water of life once more **An Endless Christmas** Cynthia Ruchti,2015-10-13 Award winning novelist s heartwarming story about family and love lost found and finally truly revealed at Christmas **As Waters Gone By** Cynthia Ruchti,2015-05-05 Emmalyn Ross never thought a person could feel this alone Sustaining a marriage with a man who s not by her side is no easy task especially since her husband currently resides behind impenetrable prison walls His actions stole her heart s desire and gave their relationship a court mandated five year time out What didn t fall apart that night fell apart in the intervening years Now on a self imposed exile to Madeline Island one of the Apostle Islands of Lake Superior Emmalyn starts rehabbing an old hunting cottage they d purchased when life made sense Restoring it may put a roof over her head but a home needs more than a roof and walls just as a marriage needs more than vows and a license With only a handful of months before her husband is released Emmalyn must figure out if and how they can ever be a couple again And his silence isn t helping **Strangers Drowning** Larissa MacFarquhar,2015-09-29 What does it mean to devote yourself wholly to helping others In Strangers Drowning Larissa MacFarquhar seeks out people living lives of extreme ethical commitment and tells their intimate stories their stubborn integrity and their compromises their bravery and their recklessness their wrenching dilemmas A couple adopts two children in distress But then they think if they can change two lives why not four Or ten They adopt twenty But how do they weigh the needs of unknown children in distress against the needs of the children they already have Another couple founds a leprosy colony in the wilderness in India living in huts with no walls knowing that their two small children

may contract leprosy or be eaten by panthers The children survive But what if they hadn't How would their parents risk have been judged We honour such generosity and high ideals but when we call people do gooders there is scepticism in it even hostility Why do moral people make us uneasy Between her stories MacFarquhar threads a lively history of the novels philosophy social science and self help that have contributed to a deep suspicion of do gooders in Western culture Through its sympathetic and beautifully vivid storytelling *Strangers Drowning* confronts us with fundamental questions about what it means to be human In a world of strangers drowning in need how much should we help and how much can we help Is it right to care for strangers even at the expense of those we are closest to *Moving* and provocative *Strangers Drowning* challenges us to think about what we value most and why

Born to Be a Blessing Myrtle E. Felkner, 2009-08 Every child is born to be a blessing Many parents experience overwhelming love when their children are born and strive to raise their children to experience a relationship with God through Jesus Christ This guide for parents enables them study learn and grow together to find answers to shared questions and concerns as they raise their children Parents will deal with many areas of children's lives such as self control truth telling sibling rivalry generosity and making faithful decisions Perfect for small groups each session includes Scripture plus stories and questions for meditation and discussion Parents learn new tools to respond to their children in positive Christ like ways and gives them the courage to face one of the most blessed jobs of all raising Christian children
