Are You Kidding Me Volume 1:

A Matter of Time: Vol. 1 Mary Calmes, 2011-07-18 Books One and Two Vol 1 Jory Keyes leads a normal life as an architect's assistant until he is witness to a brutal murder. Though initially saved by police Detective Sam Kage, Jory refuses protective custody. He has a life he loves that he won't give up no matter who is after him. But Jory's life is in real jeopardy especially after he agrees to testify about what he saw. While dealing with attempts on his life, well-meaning friends who want to see him happy, an overly protective boss, and a slowly unfolding mystery that is much more sinister than he could ever imagine, the young gay man finds himself getting involved with Sam, the conflicted and closeted detective. And though Jory may survive the danger, he may not survive a broken heart. *Gay, Gay Romance, M/M "Sabastian": Book 1 (Influencer Series) M/M Romance, Enemies to Lovers* Sky McCoy, 2024-11-29 This book is for mature adults only, ages 18 and over. M/M romance Sabastian. Some men are hopeless romantic fools while others are simply misguided. I find myself caught in both traps, perpetually unaware of what's good for me. Once my heart gravitated toward the wrong types of men. Take Robbie, my ex-boyfriend and part-time lover. He was a master of deception, but deep down, I recognized his dishonesty. Yet I kept returning to him, captured by his charm and humor. I mistakenly believed if Robby kept me laughing, I could forget his cheating, and laughter was enough to sustain a relationship. One day the harsh reality hit me when I discovered he had been juggling two other partners behind my back. Now I grapple with the fear of opening my heart to someone who genuinely cares for me. He's not the typical younger guy I'm accustomed to dating. At forty, this handsome dude came into my life, but he's a decade and a half my senior. He's super hot and drop-dead gorgeous, while I consider myself just average. Financially, he's well-established, whereas I'm still recovering from the emotional toll Robbie took on me. Despite my forty-something reputation as a notorious playboy, I find myself irresistibly drawn to him, and I'm determined to pursue him and make him mine. This is an M/M romance with enemies to lovers and an age gap, with a HFN ending. Why choose gay romance? Why choose romance? Why choose mm romance? **A Choice: Book 1** Sharuthie Ramesh, 2014-04 Kyra Rumbler. Count has always been told that with great power comes great responsibility, but with great responsibilities come great choices, and great choices come with great consequences. Now that Kyra has turned eighteen years old, she realizes that what she was told at a young age is true. She must make the right decisions or face the consequences that may come with them, one that may end in a blood-pouring situation. Follow Kyra as she meets new people, encounters old friends, and discovers that love is more deadly than she thought. In this epic story, choices will be made, trust will be broken, love is now dangerous, and there are shocking twists that will make you doubt whom you can trust.
