Children's Craft Ideas Wendy L. Zhorne,1991 Crafts that use ordinary household objects and extraordinary creativity maximum flexibility with minimum effort for home school Bible club and church Crafts are included for holidays teaching Christian principles and dramatizing Bible stories Complete instructions professionally drawn patterns and templates and an age range are part of each craft idea The Complete Works of C. H. Spurgeon, Volume 6 Spurgeon, Charles H.,2015-02-24 Volume 6 Sermons 286 347 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **Sunday Half-hour with the Great Preachers** Michael Laird Simons,1871 **Spurgeon's Sermons Volume 06: 1860** Charles

Haddon Spurgeon, 2017-05-04 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the sixth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage, convict and inspire anyone who seeks a closer and more intimate relationship with God **Ten Great Sermons from Basil to Calvin** Grenville Kleiser, 2016-10-21 The aim in preparing this work has been to bring together the best examples of the products of the pulpit through the Christian centuries and to present these masterpieces in attractive and convenient form It is believed that they will be found valuable as instruction to ministers of today They should also be helpful to others who though not preachers seek reading of this kind for the upbuilding of personal character and for strengthening their Christian faith From the Preface **Architectures of Grace in Pastoral Care** Douglas B. Olds, 2023-05-23 An updating of virtue ethics for modern pastors and the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ's bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego's strategic considerations more graciously spreading God's will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker's contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending machine theologies destructive doctrinal boundaries and context-lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena **The World's Great Sermons: Basil to Calvin** Various, 2023-08-12 In The World's Great Sermons Basil to Calvin Various authors compile a collection of influential sermons from key figures in Christian history spanning from the early church fathers to the Protestant Reformation The book showcases a diverse range of writing styles and theological perspectives providing readers with a comprehensive overview of the development of Christian preaching over the centuries Each sermon is accompanied by insightful commentary that helps contextualize the message for modern readers making this book a valuable resource for students of religious history and theology Various authors behind this collection demonstrate a deep appreciation for the power of preaching in shaping Christian beliefs and practices Their meticulous selection of sermons highlights the evolution of sermon composition and delivery offering readers a glimpse into the minds of some of the most influential religious figures in history The authors' expertise and passion for the subject shine through in their thoughtful curation of this anthology I highly recommend The World's Great Sermons Basil to Calvin to anyone interested in the history of Christian preaching and its impact on religious thought This book is essential
